[de Romanis Book 2](#) Nov 06 2022 This is the new Latin course that you have long been waiting for! An introduction to both the Latin language and the cultural world of the Romans, it also develops English literacy skills through derivation tasks and two-way translation exercises, which promote the understanding of English as well as Latin. Cultural topics, supported by background notes, and primary sources, included for study and analysis, enable students to engage with authentic Roman history and acquire a broad understanding on which to build in future study. - Language learning is split between Core and Additional to ensure effective differentiation and flexible timetabling. - Fun and varied exercises include word identification, word manipulation, vocab acquisition / consolidation, and translation from English into Latin. - 30 words of new vocabulary in each chapter build towards a total of 360. - Vocabulary is consistently and constantly consolidated to give an unshakeable grounding for GCSE. - Clear and systematic explanations of grammar encourage steady progress. - Early use of Latin stories rather than isolated sentences build student confidence from the start. In this second volume students meet the most famous historical figures of the Roman world, introduced through a variety of reading passages in Latin. From the earliest legends of the kings of Rome through the turbulent events of the Republic to seminal moments from imperial history, this is the perfect way to learn about Roman history and key institutions that enabled power, such as rhetoric and the military.

A Selection of Latin Stories Sep 04 2022

Starting to Teach Latin Mar 30 2022 This handbook for teachers provides both practical, up-to-date guidance and a theoretical overview on a number of key topics in Latin teaching. Using a wealth of interviews, observations and pupil transcripts, Steven Hunt title utilizes case-study evidence of excellent practice in teaching and learning from a wide variety of institutions: from outreach programmes, community schools and academies in the UK, to New York Charter Schools, KIP schools and schools in Eastern Seaboard states in the USA. Offering practical advice on topics such as essay writing, teaching controversial topics including women, slavery, ethnicity and social hierarchy, making use of primary sources and using ICT to advance language skills, the book also engages with broader questions of approach and theory. These include a survey of the three main approaches to Latin teaching: grammar-translation, communicative and reading approaches; explanation of cognitive and social approaches to learning; and analysis of the differences between intrinsic and extrinsic motivation. Moreover, traditional arguments about the value and purpose of learning Latin at school level are re-examined in the light of current educational thinking and government policy-making. This book is invaluable for trainees, newly qualified teachers and more experienced practitioners looking for practical ideas and strategies to motivate and engage learners of Latin. A companion website www.startingtoteachlatin.org is under construction and will contain a range of resources and information for teachers.

The Book of the Knight of the Tower Apr 06 2020 This book explores knightly stories of medieval manners and is a commentary on what people in the middle ages wore, how they prayed and what they hoped for in this life and the next. These stories range from the shockingly bawdy to the deeply pious, and often end with morals about the ways women can avoid 'blame, shame, and defame'.

Comparative Politics of Latin America Jul 22 2021 This new edition brings Daniel C. Hellinger's brilliantly succinct and accessible introduction to Latin America up to date for a new generation of educators. In crisp detail, Hellinger gives a panoramic overview of the continent and offers a unique balance of comparative politics theory and interdisciplinary country-specific context, of a thematic organization and in-depth country case studies, of culture and economics, of scholarship and pedagogy. Insightful historical background in early chapters provides students with ways to think about how the past influences the present. However, while history plays a part in this text, comparative politics is the primary focus, explaining through fully integrated, detailed case studies and carefully paced analysis. Country-specific narratives are integrated with concepts and theories from comparative politics, leading to a richer understanding of both. Updates to this new edition include: • Revisiting contemporary populism and the global emergence of right-wing populism. • The pros and cons of extractivism; the impact of Chinese investment and trade. • Contemporary crisis in Venezuela;

expanded treatment of Colombia and Peru. • The role of the military; LGBTQ+ issues; corruption; violence; identity issues. • New sections on social media, artificial intelligence, and big data cyber technologies. • Examination of post-Castro Cuba; Costa Rica's exceptionalism. • Broader study of environmental movements; how governments relate to social movements. • Examination of personalist parties; refugee and asylum rights. • Interventionist policies of the current U.S. administration. • Early impact of the COVID-19 pandemic. Comparative Politics of Latin America is a thoughtful, ambitious, and thorough introductory textbook for students beginning Latin American Studies at the undergraduate level.

Latin America since Independence Oct 13 2020 What is Latin America, after all? While histories of the "other" Americas often link disparate histories through revolutionary or tragic narratives, Latin America since Independence begins with the assumption that our efforts to imagine a common past for nearly thirty countries are deeply problematic. Without losing sight of chronology or regional trends, this text offers glimpses of the Latin American past through carefully selected stories. Each chapter introduces students to a specific historical issue, which in turn raises questions about the history of the Americas as a whole. Key themes include: Race and Citizenship Inequality and Economic Development Politics and Rights Social and Cultural Movements Globalization Violence and Civil Society The short, thematic chapters are bolstered by the inclusion of relevant primary documents - many translated for the first time - including advertisements and posters, song lyrics, political speeches, government documents, and more. Each chapter also includes timelines highlighting important dates and suggestions for further reading. Richly informative and highly readable, Latin America since Independence provides compelling accounts of this region's past and present. This second edition brings the story up to the present, with revised chapters, new primary documents and images, and a new 'At A Glance' feature that uses a selection of maps and tables to illuminate key issues like the economy, the environment, and demographics. For additional information and classroom resources please visit the Latin America since Independence companion website at www.routledge.com/cw/dawson.

Teaching Latin: Contexts, Theories, Practices Dec 15 2020 Building on and updating some of the issues addressed in Starting to Teach Latin, Steven Hunt provides a guide for novice and more experienced teachers of Latin in schools and colleges, who work with adapted and original Latin prose texts from beginners' to advanced levels. It draws extensively on up-to-date theories of second language development and on multiple examples of the practices of real teachers and students. Hunt starts with a detailed look at deductive, inductive and active teaching methods, which support teachers in making the best choices for their students' needs and for their own personal preferences, but goes on to organise the book around the principles of listening, reading, speaking and writing Latin. It is designed to be informative, experimental and occasionally provocative. The book closes with two chapters of particular contemporary interest: 'Access, Diversity and Inclusion' investigates how the subject community is meeting the challenge of teaching Latin more equitably in today's schools; and 'The Future' offers some thoughts on lessons that have been learnt from the experiences of online teaching practices during the Covid-19 lockdowns. Practical examples, extensive references and a companion website at www.stevenhuntclassics.com are included. Teachers of Latin will find this book an invaluable tool inside and outside of the classroom.

Stories of the Old World Sep 23 2021

Transnational Migrations in the Asia-Pacific Oct 05 2022 This book uses digital ethnography to study critically the impact of digital media on transnational migrations, using case studies on diverse topics including transient migrants, gender and religion, ethnic migrants, refugees, intergenerational relationships, and transnational relationships across the borders of space and time

A History of the French Novel Oct 01 2019 A History of the French Novel in two volumes is a work on the French literature written by George Saintsbury, English literary historian and critic. Saintsbury, being the most prominent authority on the subject finds the French Novel a kind which has distinguished itself by communicating to readers the pleasure of literature. The book covers the history of the French

novel from its beginnings to the close of the 19th century with the author's endeavor to present a full history of how what is commonly called the French Novel came into being and kept itself in being.

A Comprehensive Guide to Wheelock's Latin Jun 01 2022 A study guide to accompany the 6th edition of the standard introductory Latin text, Wheelock's Latin. This guide expands and explains important grammatical concepts that the Wheelock text presents too briefly for many contemporary students. -- Fuller grammatical explanations To aid comprehension -- Useful, short exercises (with answer key) To clear up confusion fast -- Additional etymological information To help students memorize -- Companion website For pronunciation help and downloadable drill sheets, vocabulary lists, and more! The Guide's style is casual, to calm and reassure the struggling or intimidated student. Points are repeated so that chapters can be used independently of one another, on an as-needed basis. Grote's Guide was designed for use with the Wheelock text, but has been successfully used with other Latin texts. The Guide is an excellent resource for -- Homeschoolers: students and instructors! -- Autodidacts -- Reviewing beginning Latin -- Reviewing before an exam

A Guide to Latin Elegy and Lyric Mar 06 2020 Provides the necessary context to read elegiac and lyric poetry, designed for novice and experienced Classics and Latin students alike A Guide to Latin Elegy and Lyric explores the language of Latin poetry while helping readers understand the socio-cultural context of the remarkable period of Roman literary history in which the poetry was composed. With an innovative approach to this important area of classical scholarship, the authors treat elegy alongside lyric as they cover topics such as the Hellenistic influences on Augustan poetry, the key figures that shaped the elegiac tradition of Rome, the motifs of militia amoris ("the warfare of love") and servitium amoris ("the slavery of love") in Latin love elegy, and more. Organized into ten chapters, the book begins with an introduction to the literary, political, and social contexts of the Augustan Age. The next six chapters each focus on an individual lyric and elegiac poet—Catullus, Horace, Tibullus, Propertius, Ovid, and Sulpicia—followed by a survey of several lesser-known poets and post-Augustan elegy and lyric. The text concludes with a discussion of major tropes and themes in Latin elegy and lyric, and an overview and analysis of key critical approaches in current scholarship. This volume: Includes full translations alongside the Latin throughout the text to illustrate discussions Analyzes recurring themes and tropes found in Latin poetry such as sexuality and gender, politics and patronage, myth and religion, wealth and poverty, empire, madness, magic, and witchcraft Reviews modern critical approaches to elegiac and lyric poetry including autobiographical realism, psychoanalysis, narratology, reception, and decolonization Includes helpful introductory sections: "How to Read a Latin Elegiac or Lyric Poem" and "How to Teach a Latin Elegiac and Lyric Poem" Provides information about each poet, an in-depth discussion of some of their poetry, and cultural and historical background Features a dedicated chapter on Sulpicia, offering readers an ancient female viewpoint on sex and gender, politics, and patronage Part of the acclaimed Blackwell Guides to Classical Literature series, A Guide to Latin Elegy and Lyric is the perfect text for both introductory and advanced courses in Latin elegy and lyric, accessible for students reading the poetry in translation, as well as for those experienced in Latin with an interest in learning a different approach to the subject.

[Latin for the New Millennium](#) Jun 20 2021

Greek and Latin Roots: Keys to Building Vocabulary Sep 11 2020 Enhance instruction with an in-depth understanding of how to incorporate word roots into vocabulary lessons in all content areas. Suitable for K-12 teachers, this book provides the latest research on strategies, ideas, and resources for teaching Greek and Latin roots including prefixes, suffixes, and bases to help learners develop vocabulary, improve their comprehension, and ultimately read more effectively. Ideas on how to plan and adapt vocabulary instruction for English language learners are also included to help achieve successful results in diverse classrooms.

[Learn Latin with Beginner Stories: De Viris Illustribus](#) Oct 25 2021 Best way to learn Latin by reading Do you want to learn Latin with original classic stories in Latin? Read in Latin without looking up words with our interlinear material! The HypLern project has been creating manually word-for-word translated language material since 2006. The aim of our project is to allow students to start reading the language of their choice immediately, and expand their vocabulary fast. This book contains the history of Rome told in the work De Viris Illustribus (On Famous Men), in Latin. We have added an interlinear translation to the Latin text. This

means that the meaning of every Latin word is immediately accessible, which in turn will make it much easier for you to expand your Latin vocabulary fast. How to learn Latin using this method Use the following method to attain new Latin vocabulary fast and easy. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal and idiomatic interlinear text this is the fastest method to learn to read Latin. Also, contact us on shop.hypLern.com for non-translated pdf versions of this book with which you can practice reading Latin without the interlinear translation. Check out our HypLern interlinear French, German, Russian, Spanish or other languages as well!

The Latin American Short Story at its Limits Nov 25 2021 The Latin American short story has often been viewed in terms of its relation to orality, tradition and myth. But this desire to celebrate the difference of Latin American culture unwittingly contributes to its exoticization, failing to do justice to its richness, complexity and contemporaneity. By re-reading and re-viewing the short stories of Juan Rulfo, Julio Cortazar and Augusto Monterroso, Bell reveals the hybridity of this genre. It is at once rooted in traditional narrative and fragmented by modern experience; its residual qualities are revived through emergent forms. Crucially, its oral and mythical characteristics are compounded with the formal traits of modern, emerging media: photography, cinema, telephony, journalism, and cartoon art.

Territorialising Space in Latin America Jan 28 2022 The vision of this book is to bring together examples of grounded geographic research carried out in Latin America regarding territorial processes. These encompass a range of histories, processes, strategies and mechanisms, with case studies from ten countries and many regions: struggles to reclaim indigenous lands, conflicts over land/resource/environmental services, competing land claims, urban territorial identities, state power strategies, commercial involvements and others. The case studies included in the book represent a wide diversity of theoretical and methodological framings currently deployed in Latin America to help interpret the patterns and processes through the conceptual lenses of territory, territoriality and territorialization. Interrogating the meanings of territory introduces multiple spatial, socio-cultural and political concepts including space, place and landscape, power, control and governance, and identity and gender.

Wheelock's Latin, 6th Edition Revised Feb 14 2021 The classic, single-volume introductory Latin textbook, introduced in 1956 and still the bestselling and most highly regarded textbook of its kind. Wheelock's Latin, sixth edition, revised, has all the features that have made it the best-selling single-volume beginning Latin textbook, many of them revised and expanded: o 40 chapters with grammatical explanations and readings based on ancient Roman authors o Self-tutorial exercises with an answer key for independent study o An extensive English-Latin/Latin-English vocabulary section o A rich selection of original Latin readings -- unlike other textbooks which contain primarily made-up Latin texts o Etymological aids Also includes maps of the Mediterranean, Italy and the Aegean area, as well as numerous photographs illustrating aspects of classical culture, mythology, and historical and literary figures presented in the chapter readings. o The leading self-tutorial Latin program. Also great for college and accelerated high school courses. o Wheelock's Latin is the top-selling Latin reference in the US. o Interest and enrolments in Latin have been steadily rising in the U.S. for the past 20 years. One-half million people are currently enrolled in Latin classes, and at least 10,000 teachers, professors and graduate assistants are teaching the language in America.

INTRODUCTORY READINGS IN VULGATE LATIN Jan 16 2021 This book, which contains Latin readings (primarily from the Bible), is designed for first year Latin students. The readings, divided into 40 "chapters," are accompanied by running notes and vocabulary. A

complete vocabulary is found in the back of the book.

A Companion to Latin American Literature and Culture Apr 18 2021

Cutting-edge and insightful discussions of Latin American literature and culture In the newly revised second edition of *A Companion to Latin American Literature and Culture*, Sara Castro-Klaren delivers an eclectic and revealing set of discussions on Latin American culture and literature by scholars at the cutting edge of their respective fields. The included essays—whether they're written from the perspective of historiography, affect theory, decolonial approaches, or human rights—introduce readers to topics like gaucho literature, postcolonial writing in the Andes, and baroque art while pointing to future work on the issues raised. This work engages with anthropology, history, individual memory, testimonio, and environmental studies. It also explores: A thorough introduction to topics of coloniality, including the mapping of the pre-Columbian Americas and colonial religiosity Comprehensive explorations of the emergence of national communities in New Imperial coordinates, including discussions of the Muisca and Mayan cultures Practical discussions of global and local perspectives in Latin American literature, including explorations of Latin American photography and cultural modalities and cross-cultural connections In-depth examinations of uncharted topics in Latin American literature and culture, including discussions of femicide and feminist performances and eco-perspectives Perfect for students in undergraduate and graduate courses tackling Latin American literature and culture topics, *A Companion to Latin American Literature and Culture, Second Edition* will also earn a place in the libraries of members of the general public and PhD students interested in Latin American literature and culture.

Inequality in Latin America Jan 04 2020 Latin America and the Caribbean has been one of the regions of the world with the greatest inequality. This book explores why the region suffers from such persistent inequality, identifies how it hampers development, and suggests ways to achieve greater equity in the distribution of wealth, incomes and opportunities. The study draws on data from 20 countries based on household surveys covering 3.6 million people, and reviews extensive economic, sociological and political science studies on inequality in Latin America. Four broad areas for action by governments and civil society groups to break the destructive pattern are outlined: (1) build more open political and social institutions, that allow the poor and historically subordinate groups to gain a greater share of agency, voice and power in society; (2) ensure that economic institutions and policies seek greater equity, through sound macroeconomic management and equitable, efficient crisis resolution institutions, that avoid the large regressive redistributions that occur during crises, and that allow for saving in good times to enhance access by the poor to social safety nets in bad times; (3) increase access by the poor to high-quality public services, especially education, health, water and electricity, as well as access to farmland and the rural services, and protect and enforce the property rights of the urban poor; (4) reform income transfer programmes so that they reach the poorest families.

Telling Tales in Latin Jul 10 2020 *Telling Tales in Latin* teaches Latin through the magic of storytelling. Narrated by the chatty and imaginative Roman poet Ovid (who lived in the Rome of the first century B.C), this new course takes young learners on a journey through some of the tales from Ovid's *Metamorphoses*. Along the way, they pick up Latin words and grammar, explore the connections between Latin and English and discover how Ovid's stories still speak to us today. Each chapter introduces one of Ovid's much-loved stories, encouraging children to begin reading Latin immediately while exploring the literary and mythic context of the stories. At the end of each chapter there are suggested activities to help learners to think about what they have just read, and to understand how the stories connect to ideas and issues that are still relevant today, from relationships with others and philosophy, to science and caring for the planet. Soham De's illustrations bring Ovid's stories alive for a wide range of learners and make learning Latin a colourful journey of discovery. *Telling Tales in Latin* outlines how Latin is the basis for English grammar, unlocking the complexities of learning English (and other languages) along the way. It also contains the vocabulary and grammar needed for the OCR Entry Level Latin qualification, making this book the ideal first introduction to Latin. Visit the website for The Iris Project, the charity established by Lorna Robinson to promote Latin and Classics teaching in state schools.

Latin American Women Writers Dec 27 2021 There is a wealth of published literature in English by Latin American women writers, but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published

narrative (short stories, novels, novellas, autobiographies, and biographies) by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled *Latin American Women Writers: A Resource Guide to Titles in English*. This reference includes all forms of narrative—short story, autobiography, novel, novel excerpt, and others—by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies/biographies or other narrative, and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written, in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included, to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors/Titles of Work, Titles of Work/Authors, Autobiographies/Biographies and Other Narrative, Anthologies, Novels and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students, and instructors interested in narrative works in English by Latin American women authors. It will also help expose new generations of readers to the highly creative and diverse literature being produced by these writers.

A selection of Latin stories Aug 03 2022

Oxford Latin Course Aug 30 2019 Designed for North American students, this special version of the *Oxford Latin Course* combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans—with their daily activities, concerns, and habits—and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the *Oxford Latin Course* has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics—from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The *Oxford Latin Course, Second Edition* offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome—one that builds skills effectively and is exciting to use.

Elements of Latin Aug 11 2020 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ... (6) Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book; (c) Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book; (d) Departmental columns in the Sales Book and in the Purchase Book. Controlling Accounts.--The addition of special columns in books of original entry makes possible the keeping of Controlling Accounts. The most common examples of such accounts are Accounts Receivable account and Accounts Payable account. These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers'

Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger." The Balance Sheet.--In the more elementary part of the text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...

Thirty-eight Latin Stories Jan 08 2023 Originally designed as a supplement to the Latin course by F. M. Wheelock, this book is well suited for use in any introductory or review course. All the stories in the book are based on actual Latin literature, with the stories simplified at first and made gradually more complex as the work progresses. Students will learn how classical Latin was really written as they become familiar with the works of the great Latin authors.

The Cambridge History of Latin American Literature Mar 18 2021 "Primary and vital resource for literary specialists, historians, students of all levels, and general readers interested in this period. Leading scholars write about diverse genres (narrative, essay, poetry, theater) and cultural interests and ideas (intellectual life, historiography, Viceregal culture, Mesoamerican indigenous peoples and cultures). Literature articles include analysis and discussion of canonic and previously marginalized authors and treat representative works, genres, and literary and philosophical currents. Extremely useful, well written, and interesting"--Handbook of Latin American Studies, v. 58.

Telling Tales in Latin Nov 13 2020 An innovative and accessible way to begin teaching Latin to children of any age Narrated by the chatty and imaginative Roman poet Ovid (who lived in Rome during the first century BC), this new course takes young learners on a journey through some of the tales from Ovid's *Metamorphoses*. From Daedalus to the story of Orpheus, Lorna Robinson uses Ovid's stories to teach Latin grammar and vocabulary, exploring the relationship between Latin and English to enhance literacy as well as encouraging children's imaginations by asking them to discuss how Ovid's themes are still topical today. At the end of each chapter there are suggested activities to help learners reinforce what they have just learned. The illustrations bring Ovid's stories alive for a wide range of learners, making this book the ideal first introduction to Latin.

Latin American Development Aug 23 2021 Provides an up-to-date analysis of many aspects of Latin America through a series of short essays, written by experienced geographers.

General Catalog Feb 26 2022

de Romanis Book 1 Jul 02 2022 This is the new Latin course that you have long been waiting for! An introduction to both the Latin language and the cultural world of the Romans, it also develops English literacy skills through derivation tasks and two-way translation exercises, which promote the understanding of English as well as Latin. Cultural topics, supported by background notes, and primary sources, included for study and analysis, enable students to engage with authentic Roman history and acquire a broad understanding on which to build in future study. - Language learning is split between Core and Additional to ensure effective differentiation and flexible timetabling. - Fun and varied exercises include word identification, word manipulation, vocab acquisition / consolidation, and translation from English into Latin. - 30 words of new vocabulary in each chapter build towards a total of 360. - Vocabulary is consistently and constantly consolidated to give an unshakeable grounding for GCSE. - Clear and systematic explanations of grammar encourage steady progress. - Early use of Latin stories rather than isolated sentences build student confidence from the start. In this first volume students meet the gods and heroes of the Roman world, introduced through stories from Chapter 1 onwards, so that students can immediately read passages of Latin. From myths about the gods to stories about religious customs and festivals, this is the perfect way to learn about the religious framework of Roman daily life. The final chapter on prophecy, ending with stories of historical figures such as Caesar interpreting messages from the gods, prepares for the transition in the second volume to the world of men - and women - of ancient Rome. The Latin American Story Finder Apr 30 2022 Anything is possible in the world of Latin American folklore, where Aunt Misery can trap Death in a pear tree; Amazonian dolphins lure young girls to their underwater city; and the Feathered Snake brings the first musicians to Earth. One in a series of folklore reference guides ("...an invaluable resource..."—School Library Journal), this book features summaries and sources of 470 tales told in Mexico, Central America and South America, a region underrepresented in collections of world folklore. The volume sends users to the best stories retold in English from the Inca, Maya, and Aztec civilizations, Spanish and Portuguese missionaries and colonists, African slave cultures, indentured servants from India, and more than 75 indigenous tribes from 21 countries. The tales are grouped into themed sections with a detailed subject index.
