Divided into four parts, this book examines the context of wine production, the wine consumer, and the social context of wine. It discusses themes like the historical, geographical, and cultural factors and the way they shape wine production and consumption, wine production, marketing differentiation, the contemporary wine consumer and lifestyle factors, and politics and the economics of wine. (Midwest). Packed with current examples you can easily relate to, Tischler's *INTRODUCTION TO SOCIOLOGY, 11E* delivers comprehensive, up-to-date coverage in a succinct and affordable format. The author begins by equipping you with tools for success, including tips for how to read, study, and take tests more effectively. A built-in study guide and practice tests ensure thorough understanding. The text threads two basic ideas throughout: sociology is a rigorous, scientific discipline, and basic knowledge of sociology is essential for understanding social interaction in many work and social settings. With its streamlined 16 chapters, *INTRODUCTION TO SOCIOLOGY, 11E* delivers cutting-edge coverage that is concise yet thorough--and makes sociology completely accessible. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Thoroughly revised and updated, *Drugs and Society, Eleventh Edition*, contains the most current information available concerning drug use and abuse. Written in an objective and user-friendly manner, this best-selling text continues to captivate students by taking a biological approach to the impact of drug use and abuse on the lives of ordinary people. The Eleventh Edition incorporates the authors' combined expertise in pharmacology, drug abuse, and sociology and extensive experience in research, teaching, drug policy-making, and drug policy implementation and includes hundreds of new citations that reflect the current state of drug abuse issues and the rapidly changing issues of substance abuse/addiction. Focusing on urban sociology as practised in Britain, the author argues that it is a key element in the response of the 'intellectual proletariat' to urbanization and the calls on it by the State to control the ensuing way of life. The themes of urban sociology have been the concerns of the Welfare State and, despite radical inputs, the discipline has remained tied up with the assumptions and methodological precepts of liberalism. The author's contention is that urbanization should be analysed in the framework of

the political economy of regional development. This book was first published in 1977. *Delinquency in Society, Eighth Edition* provides a systematic introduction to the study of juvenile delinquency, criminal behavior, and status offending youths. This text examines the theories of juvenile crimes and the social context of delinquency including the relevance of families, schools, and peer groups. Reorganized and thoroughly updated to reflect the most current trends and developments in juvenile delinquency, the Eighth Edition includes discussions of the history, institutional context, and societal reactions to delinquent behavior. Delinquency prevention programs and basic coverage of delinquency as it relates to the criminal justice system are also included to add context and support student comprehension. A clearly written introduction to the symbolic interactionist perspective in social psychology and in sociology as a whole. The text provides several examples. Current and relevant to today's students, *SOCIOLOGY IN OUR TIMES: THE ESSENTIALS, 11th Edition* presents the latest available data and new insights on behaviors, beliefs, issues, and trends in our nation and world from a sociological perspective. The new edition of this bestselling text emphasizes the themes of social change, the effects of social media on communication, and the intertwining nature of politics and social policy in the United States and worldwide. Students contemplate such issues as gun control, prevention of military suicides, environmental activism, and whether employers should be allowed to spy on their employees. New You Can Make a Difference boxes help students learn how to become involved in their communities and the world through such projects as campus kitchens and global networking to fight hunger. First-person accounts of individuals' lived experiences draw students into each chapter by illuminating topics that reflect the text's primary themes. This widely popular book provides an up-to-date, unbiased look at today's many different cultural groups and the importance of building on the cultures and experiences of students to help them achieve optimal learning. It explores the most current issues related to race, diversity, and equity in society and shows how those issues are reflected in schools and how they impact students. Future teachers get a sound foundation for understanding diversity and using this knowledge effectively in classrooms and schools to help students learn. The authors approach multicultural education using a broad perspective, using culture as the basis for understanding multicultural education, and emphasize the importance of an equitable education for all students. The new edition helps readers learn to routinely use self-reflection to become more effective teachers in classrooms that provide equity for all students; covers up-to-date new issues in the chapter features; updates all chapters to reflect recent events and research that have impacted the topics addressed in the book, and updates all tables, figures, and references to reflect the latest data and thinking. Coakley encourages readers to think critically about issues and controversies in sports while considering their own personal experiences, families, schools, communities and societies. The Eleventh Edition of Kraus' Recreation and Leisure in Modern Society provides a detailed introduction to the history, developments, and current trends in leisure studies. It addresses contemporary issues facing the recreation and leisure profession and focuses on challenges and opportunities that impact the profession now as well as years from now. Extensive research into emerging trends helps support the text and provide insights into the future. Population and Society: An Introduction to Demography is an ideal text for undergraduate, as well as graduate, students taking their first course in demography. It is sociologically oriented, although economics, political science, geography, history, and the other social sciences are also used to inform the materials. Although the emphasis is on demography, the book recognizes that, at the individual level, population change is related to private decisions, especially in relation to fertility, but also to mortality and migration. The text thus considers in some detail the role of individuals in population decision making. At the level of countries, and even the world, changes in population size have an important effect on the environmental and related challenges facing all of the world's inhabitants. Therefore, attention is paid to the broad implications of population growth and change. In the 11th edition of Law and Society, Steven E. Barkan preserves Dr. Vago's voice while making this classic text more accessible for today's students. Each chapter now includes an outline, learning objectives, key terms, and chapter summaries. A new epilogue chapter examines law and inequality in the United States as it moves into the third decade of this century. The 11th edition reflects new developments in law and society literature as well as recent real-life events with legal relevance for the United States and other nations. Law and Society is for one-semester undergraduate courses in Law and Society, Sociology of Law, Introduction to Law, and a variety of criminal justice courses offered in departments of Sociology, Criminal Justice, and Political Science. The Tenth Edition of Drugs and Society clearly illustrates the impact of drug use and abuse on the lives of ordinary people and provides students with a realistic perspective of drug-related problems in our society. Written in an objective and user-friendly manner, this best-selling text continues to captivate students by incorporating personal drug use and abuse experiences and perspectives throughout. Statistics and chapter content have been revised to include the latest information on current topics. WESTERN CIVILIZATION: IDEAS, POLITICS, AND SOCIETY, Eleventh Edition, maintains a firm grounding in political history, while covering intellectual history (particularly the significance of ideas and contributions) to greater and deeper extent than any other text for the course. Known for its accessible writing style, this text appeals to students and instructors alike for its brevity, clarity, and careful selection of content—including material on religion and philosophy. Updated with more recent scholarship, the eleventh edition retains many popular features, including comparative timelines, full-color art essays, and profile and primary source excerpts in each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. 5 Stars! from Doody's Book Reviews! (of the 13th Edition) "This edition continues to raise the bar for books on drug use and abuse. The presentation of the

material is straightforward and comprehensive, but not off putting or complicated." As a long-standing, reliable resource *Drugs & Society, Fourteenth Edition* continues to captivate and inform students by taking a multidisciplinary approach to the impact of drug use and abuse on the lives of average individuals. The authors have integrated their expertise in the fields of drug abuse, pharmacology, and sociology with their extensive experiences in research, treatment, drug policy making, and drug policy implementation to create an edition that speaks directly to students on the medical, emotional, and social damage drug use can cause. *Seeing Sociology in Everyday Life Society: The Basics* is designed to help students view their everyday lives through a sociological lens. With a strong theoretical framework and a global perspective, *Society* offers students an accessible and relevant introduction to sociology. In *Society: The Basics, Eleventh Edition*, John J. Macionis shares his enthusiasm and teaching experience with a clear and engaging approach. This is just the standalone book. Long praised by instructors and students alike for its readability and attention to everyday life, the eleventh edition of *A History of Western Society* includes even more built-in tools to engage today's students and save instructors time. This edition features a brand-new, comprehensive primary source program in-text and online, expanded chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Enhanced with a wealth of digital content—including carefully developed online document assignments for each chapter with auto-graded exercises—the eleventh edition provides easily assignable options for instructors and novel ways for students to master the content. Now integrated with *LearningCurve*, an adaptive online resource that helps students retain the material and come to class prepared. To see an example of the new Online Document Assignment from Chapter 14, [click here](#). Providing an understanding of the relationship with death, both as an individual and as a member of society. This book is intended to contribute to your understanding of your relationship with death, both as an individual and as a member of society. *Kastenbaum* shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss. Robert Kastenbaum is a renowned scholar who developed one of the world's first death education courses and introduced the first text for this market. This landmark text draws on contributions from the social and behavioral sciences as well as the humanities, such as history, religion, philosophy, literature, and the arts, to provide thorough coverage of understanding death and the dying process. Learning Goals Upon completing this book, readers should be able to: -Understand the relationship with death, both as an individual and as a member of society -See how social forces and events affect the length of our lives, how we grieve, and how we die -Learn how dying people are perceived and treated in our society and what can be done to provide the best possible care -Master an understanding of continuing developments and challenges to hospice (palliative care). -Understand what is becoming of faith and doubt about an afterlife *A History of World Societies* introduces students to the global past through social history and the stories and voices of the people who lived it. The book's regional and comparative approach helps students understand the connections of global history while providing a manageable organization. With global connections and comparisons, documents, features and activities that teach historical analysis. "Since the first edition, *Human Sexuality: Diversity in Contemporary Society* has presented students with a nonjudgmental and affirming view of human sexuality while encouraging them to embrace their own sexuality"-- *Seeing Sociology in your Everyday Life* Macionis empowers students to understand the world around them through a sociological lens, so they can better understand sociology and their own lives. *Society: The Basics, 12th edition* is written to help students find and use sociology in everyday life. With a complete theoretical framework and a global perspective, *Society: The Basics* offers students an accessible and relevant introduction to

sociology. The new edition continues to grow to meet readers' changing needs. With a newly integrated pedagogical framework, readers are guided through both the text - and optional new MySocLab - to build their critical thinking skills while learning the fundamentals of sociology. Teaching and Learning Experience This program will provide a better teaching and learning experience - for you and your students. Here's how: Personalize Learning - The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -Six new learning objectives per chapter help readers build critical thinking and study skills. Engage Students - New design, everyday life and pop culture examples make sociology relevant for students today. Explore Theory -Three main theoretical perspectives are discussed in every chapter. Understand Diversity - Contemporary research informed by expert reviewers and cutting edge data sources reflect a broad range of race / class / gender. Support Instructors - Author written activities and assessment in MySocLab, the test bank and instructor's manual help provide support for instructors. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: www.mysoclab.com or you can purchase a valuepack of the text + MySocLab (at no additional cost). Law and Society provides a balanced and comprehensive analysis of the interplay between law and society using both Canadian and international examples. This clear and readable text is filled with interesting information, ideas and insights. All materials and supporting statistics have been carefully updated. This edition includes an expanded discussion of the law and First Nations people, recent developments impacting LGBTIQ2S persons, and persons with disabilities and a new section on civil procedures. Each chapter is structured similarly, with an outline, learning objectives, key terms, chapter summaries, critical thinking questions, and an array of additional resources. WESTERN CIVILIZATION: IDEAS, POLITICS, AND SOCIETY, Eleventh Edition, maintains a firm grounding in political history, while covering intellectual history (particularly the significance of ideas and contributions) to greater and deeper extent than any other text for the course. Known for its accessible writing style, this text appeals to students and instructors alike for its brevity, clarity, and careful selection of content-including material on religion and philosophy. Updated with more recent scholarship, the eleventh edition retains many popular features, including comparative timelines, full-color art essays, and profile and primary source excerpts in each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples -- including its signature first-person accounts that open many chapters. These lived experiences are relevant to students and introduce themes that provide a framework for learning the chapter material. Kendall's vivid and inviting writing style, emphasis on applications, and eye for compelling current examples further highlight sociology's relevance to all students. Now in its eleventh edition, SOCIOLOGY IN OUR TIMES is acclaimed for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. This edition focuses more on social/global change and on the contemporary world, presenting such current debates as bullying and social media abuse, digital-age methods to increase school attendance, food trucks and the spread of culture, modern slavery, and weight bias. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Long praised by instructors and students alike for its readability and attention to everyday life, the eleventh edition of A History of Western Society includes even more built-in tools to engage today's students and save instructors time. This edition features a brand-new,

comprehensive primary source program in-text and online, expanded chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Enhanced with a wealth of digital content—including carefully developed online document assignments for each chapter with auto-graded exercises—the eleventh edition provides easily assignable options for instructors and novel ways for students to master the content. Now integrated with LearningCurve, an adaptive online resource that helps students retain the material and come to class prepared. A regional and global approach to world history that highlights society and culture Long praised by instructors and students for its accessible regional chapter structure, readability, and sustained attention to social history, the Eleventh Edition of *A History of World Societies* includes even more features and tools to engage today's students and save instructors time. This edition includes more help with historical thinking skills, an expanded primary source program in print and online, and the best and latest scholarship throughout. The book can be purchased with the breakthrough online resource, LaunchPad, which combines an e-book with a wealth of time-saving teaching and learning tools. LaunchPad comes with LearningCurve, an adaptive and automatically graded learning tool that ensures students come to class prepared. The combined Volume includes all chapters. This book reviews both the historical and future roles that public, private, academic and special libraries have in supporting and shaping society at local, regional, national and international levels. Globalisation, economic turmoil, political and ethnic tensions, rapid technology development, global warming and other key environmental factors are all combining in myriad and complex ways to affect everyone, both individually and collectively. Fundamental questions are being asked about the future of society and the bedrock organisations that underpin it. *Libraries and Society* considers the key aspects of library provision and the major challenges that libraries – however defined, managed, developed and provided – now face, and will continue to face in the future. It also focuses on the emerging chapter in cultural, economic and social history and the library's role in serving diverse communities within this new era. Looks at all types of library in a period of major and discontinuous change, tackling the fundamental questions of the future of libraries in the context of major societal, political and environmental issues. Poses important questions for the profession and policy development. Fills a major gap in literature (recent discourse and debate on the future of democracy, for example, the library is rarely included). Essential reading for students of Japanese society, *An Introduction to Japanese Society* now enters its third edition. Here, internationally renowned scholar, Yoshio Sugimoto, writes a sophisticated, yet highly readable and lucid text, using both English and Japanese sources to update and expand upon his original narrative. The book challenges the traditional notion that Japan comprises a uniform culture, and draws attention to its subcultural diversity and class competition. Covering all aspects of Japanese society, it includes chapters on class, geographical and generational variation, work, education, gender, minorities, popular culture and the establishment. This new edition features sections on: Japan's cultural capitalism; the decline of the conventional Japanese management model; the rise of the 'socially divided society' thesis; changes of government; the spread of manga, animation and Japan's popular culture overseas; and the expansion of civil society in Japan. The 10th edition of *Issues In Internet Law: Society, Technology, and the Law* has been updated for 2016 with the latest cases and trends in Internet Law. The new edition has an expanded glossary, and statute and case indexes, and a new chapter devoted to the NSA's spying on Internet users. Topics include: Privacy: Invasion of Privacy, Public Records, Workplace Privacy, Employer & ISP Monitoring, Data Collection, Data Retention, Data Breaches, the Right to be Forgotten; E-Mail & Chat Room Privacy, Web Site Privacy Policies, Behavioral Marketing, Flash Cookies, Device Fingerprinting, Privacy & Children, Metadata, Border Searches, FISA & the USA PATRIOT Act, the NSA,

FISA Court, PRISM, XKeyscore; Free Speech Defamation, SLAPPs, Gripe Sites, Revenge Porn Sites, Mugshot Sites, Blogs & Vlogs, Obscenity & Pornography, Harassment & Hate Speech, Prior Restraint, Repression, Student Speech, CDA, Anonymous Speech, Commercial Speech, Expressive Conduct; Social Media: Misuse, Ownership, Coerced Access, the Courts; Cybercrimes: Spam, Phishing, Identity Theft, Spyware & Malware, Cyberstalking, Cyberbullying, Computer Trespass, Wardriving, Virtual Crime; Intellectual Property: Copyright, Trademark, Patent, Trade Secrets, Creative Commons, Linking, Framing, File-Sharing, Fair Use, Public Domain, Work-Made-For-Hire, DMCA, VARA, Domain Name Disputes, Keyword Advertising, America Invents Act; Business & the Internet: Internet Taxation, Internet Interstate Commerce, Web Contracts, e-Discovery, Corporate Securities, Crowdfunding, Reg A, Reg D; Also: Cloud Computing; Digital Currency; Right of Publicity; Web Accessibility; Net Neutrality; Online Reputation Management; Social Media Monitoring; Podcasts; Geofiltering; Digital Journalism; Hyper Local Web Sites, Digital Estate Planning; Sexting; E-Books and many more subjects. Concisely written and covering a broad range of topics, this is the most current book of its kind! Reviews: * "Concise overview of Internet-related legal issues." (Law Library Journal) * "Although it deals with the complex legal issues surrounding the Internet, it is written in layman's terms and illustrated with 'ripped from the headlines' court cases." (Amazon) * "The concepts and issues are presented in a way that is sufficiently rigorous but very easy to read, making the book one I can recommend." (Computing Reviews) * "A valuable resource, well-researched and well presented." * "I want a copy on my bookshelf always within arm's reach." * "The anecdotal nature made it easy to understand the underlying legal concepts." * "It is imperative that schools adopt this book in a way which would help young students gain knowledge about the various issues involving the Internet." (Indian Journal of Intellectual Property Law) * "Issues in Internet Law: Society, Technology, and the Law will be a welcome addition in both academic and public law libraries... It should be acquired by libraries for its concise overview of Internet-related legal issues." (Law Library Journal) Food and Society provides a broad spectrum of information to help readers understand how the food industry has evolved from the 20th century to present. It includes information anyone would need to prepare for the future of the food industry, including discussions on the drivers that have, and may, affect food supplies. From a historical perspective, readers will learn about past and present challenges in food trends, nutrition, genetically modified organisms, food security, organic foods, and more. The book offers different perspectives on solutions that have worked in the past, while also helping to anticipate future outcomes in the food supply. Professionals in the food industry, including food scientists, food engineers, nutritionists and agriculturalists will find the information comprehensive and interesting. In addition, the book could even be used as the basis for the development of course materials for educators who need to prepare students entering the food industry. Includes hot topics in food science, such as GMOs, modern agricultural practices and food waste Reviews the role of food in society, from consumption, to politics, economics and social trends Encompasses food safety, security and public health Discusses changing global trends in food preferences Providing an understanding of the relationship with death, both as an individual and as a member of society. This book is intended to contribute to your understanding of your relationship with death, both as an individual and as a member of society. Kastenbaum shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss. Robert Kastenbaum is a renowned scholar who developed one of the world's first death education courses and introduced the first text for this market. WESTERN CIVILIZATION: IDEAS, POLITICS, AND SOCIETY, Eleventh Edition, maintains a firm grounding in political history, while covering intellectual history (particularly the significance of ideas and contributions) to greater and deeper extent than any other text for the course. Known for its accessible writing style, this text appeals to students and instructors alike for its brevity, clarity, and careful selection of content—including material on religion and philosophy. Updated with more recent scholarship, the eleventh edition retains many popular features, including comparative timelines, full-color art essays, and profile and primary source excerpts in each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. With a new full-color design with perforated worksheets, the Tenth Edition of Kraus' *Recreation and Leisure in Modern Society* provides a detailed introduction to the history, developments, and current trends in leisure studies. It addresses contemporary issues facing the recreation and leisure profession and focuses on challenges and opportunities that impact the profession now as well as years from now. Extensive research into emerging trends helps support the text and provide insights into the future. Focusing on the ten different types of organizations --ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors -- this classic text is an invaluable resource for students considering a career in the recreation and leisure industry. New to the Tenth Edition: - Discusses how specific trends, such as dramatic shifts in population make-up, the impact of technology, and marketing affect leisure-service systems and the recreation and park professions. - Focus on the role of parks and recreation on the health and wellness of our communities as well as means to combat the obesity epidemic in North America. - Includes new case studies which allow students to apply knowledge of technology in leisure, identify the value and benefits of play, and recognize the changing family structures of our modern society. This wide-ranging and accessible book serves as a fascinating guide to the strategies and concepts that help us understand the boundaries between physics, on the one hand, and sociology, economics, and biology on the other. From cooperation and criticality to flock dynamics and fractals, the author addresses many of the topics belonging to the broad theme of complexity. He chooses excellent examples (requiring no prior mathematical knowledge) to illuminate these ideas and their implications. The lively style and clear description of the relevant models will appeal both to novices and those with an existing knowledge of the field. *Law, Business and Society*, 11e fits both upper-division undergraduate and masters levels courses in the legal environment of business, government and business, and business and society. *Law, Business and Society*, takes an interdisciplinary approach, using elements of law, political economy, international business, ethics, social responsibility, and management. Students will find an interesting, provocative reading experience filled with contemporary legal and ethical conflicts emerging from today's news, as well as scholarly results, surveys, polls, data, anecdotes, and other specific details that lend credibility, immediacy, and interest to the reading experience. Volume One is the reference guide containing in-depth chapters by noted professionals such as "Framing for Television" by Dave

Kenig; "Comparisons of 1.85, Anamorphic and Super 35 Film Formats" by Rob Hummel; "Anamorphic Cinematography" by John Hora, ASC; "Lenses by Iain Neil; "Motion-Control Cinematography" by Richard Edlund, ASC; "Aerial Cinematography" by Jon Kranhouse; "Underwater Cinematography" by Pete Romano, ASC; "Digital Postproduction for Film" by Bill Feightner and Robert L. Eicholz; "Shooting 16mm Color Negative for Blowup to 35mm" by Irwin Young, etc. Volume Two is the field guide starts with camera section assembled by Jon Fauer, ASC and continues with all of the tables and charts for quick reference while working on the set. Each book is 6"x9" with over 400 pages. Each volume also contains the complete table of contents and index for both books for ease of use. This best-selling text on marriages, families, and relationships combines a rigorous scholarly and applied approach with a theme especially relevant to today's dynamic global environment: making choices in a diverse society. The authors use an engaging narrative to create a highly readable text that offers insightful perspectives on the diversity of our modern society, including different ethnic traditions and family forms. The balanced presentation discusses a variety of theoretical perspectives (e.g., family ecology, structure-functional, interaction-constructionist, family systems, biosocial), emphasizing both social structure and the importance of individual agency, choice, and decision-making. Students are encouraged to question assumptions and reconcile conflicting ideas and values as they make informed choices in their own lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
