In *A Short History of the United States*, National Book Award winner Robert V. Remini offers a much-needed, concise history of our country. This accessible and lively volume contains the essential facts about the discovery, settlement, growth, and development of the American nation and its institutions, including the arrival and migration of Native Americans, the founding of a republic under the Constitution, the emergence of the United States as a world power, the outbreak of terrorism here and abroad, the Obama presidency, and everything in between. Society's widening gap between technological achievement and moral decay compels men of courage, integrity, and true manhood to stand strong. In a quest for satisfaction, many men have lost the meaning of manhood, surrendering ideals to things immoral, illegal, unethical, or irresponsible. Today's tough times require men to overcome dangerous philosophies and bring hope, dignity, and order back to a world in desperate need men who are willing to be heroes. "Slow violence" from climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually

and often invisibly. Rob Nixon focuses on the inattention we have paid to the lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today. The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following *48 Laws of Power* and *The Art of Seduction*, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, *The Concise 33 Strategies of War* is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen. "Real manhood and Christlikeness are synonymous." --Edwin Louis Cole Braving today's masculinity maze, with its confused images that distort real manhood, requires courage and wisdom. Edwin Louis Cole, as a mentor, friend, and spiritual father, declares a model for manhood that is infallible, functional, and yet feasible--the manhood of Christlikeness. Real Man rips apart unfulfilling stereotypes, smothers the pressure of unrealistic demands, exposes cheap substitutes and social imitations of true manhood--while giving a man the power he needs to obtain the spirit and conviction of being a real man. Learn how to: Maximize your masculinity Discover the manhood of Jesus Christ Get and stay on top Determine your heart's direction Achieve fulfilling accomplishments Clarify your role as a leader, husband, father, friend. Real Man addresses the full range of man's life--marriage, finances, friendships, success, failure, parenting, and spirituality. Jesus Christ overcomes substitute manliness and sets the standard for real manhood to help men be real. "Ed Cole's training for men is a fiery instrument at a strategic time. Get it to ignite the renewed flame of practical, purposeful, manly living for this day!" -Pastor Jack Hayford "Sometimes you meet a man who forever impacts the way you think and, most importantly, the way you live. Dr. Edwin Louis Cole was such a man, and is such a man still, through his writing. Enjoy!" --Actor Chuck Norris Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of *Understanding the Purpose and Power of Women*, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to

blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be. Best-selling author Myles Munroe reveals in this book the key to personal fulfillment: purpose. We must pursue purpose because our fulfillment in life depends upon our becoming what we were born to be and do. In Pursuit of Purpose will guide you on that path to finding God's purpose for your life. Master your game from the inside out! With more than 800,000 copies sold since it was first published thirty years ago, this phenomenally successful guide has become a touchstone for hundreds of thousands of people. Not just for tennis players, or even just for athletes in general, this handbook works for anybody who wants to improve his or her performance in any activity, from playing music to getting ahead at work. W. Timothy Gallwey, a leading innovator in sports psychology, reveals how to • focus your mind to overcome nervousness, self-doubt, and distractions • find the state of "relaxed concentration" that allows you to play at your best • build skills by smart practice, then put it all together in match play Whether you're a beginner or a pro, Gallwey's engaging voice, clear examples, and illuminating anecdotes will give you the tools you need to succeed. "Introduced to The Inner Game of Tennis as a graduate student years ago, I recognized the obvious benefits of [W. Timothy] Gallwey's teachings. . . . Whether we are preparing for an inter-squad scrimmage or the National Championship Game, these principles lie at the foundation of our program."—from the Foreword by Pete Carroll There are opportunities everywhere for women who have the courage to seize them! You have more than you think you have. You can do more than you think you can. You alone are responsible to use the intelligence, talents, abilities, and gifts God has given you. Edwin and Nancy Cole took the truths and experience gathered from over half a century of marriage and ministry together to write Unique Woman. In one of Christianity's modern classics, the Coles furnish tools to achieve the image God holds for women. In the same upfront and honest style that made Ed Cole an internationally known minister to men, he learned with his wife Nancy, whom he called "The Loveliest Lady in the Land," to answer the heart's cry of women around the world who said, "Write us a book!" Courage is a call to men who want to be champions, a daring challenge to young men who want to be a success in life, a rousing cry for mature men to come alive again! From the acrid streets of New York to the arid deserts of Namibia to the airless mountains of Nepal, men worldwide, both young and old, are fighting a war waged against them, both physically and spiritually. Learn how to fight an enemy that would emasculate your manhood, shame your God-given ambitions, mock your ego-mastery, and try to make you a wimp. More than ever before in history, young men today must be trained to be men and have the courage to life in that manhood. If you have the guts to do more than wallow in a moral morass of mediocrity,

this book if for you! Don't waste your youth! Live your God-given dreams! This book will train you in manhood, in responsibility, in maturity, and in warfare. The only question is: Do you have the courage to read it? Every man should know what his father failed to teach him, what women couldn't tell him, and what his pastor wanted to say...but only behind closed doors. This honest, no-nonsense book by Edwin Louis Cole provides an invaluable guide to launch a new generation of family leaders...with profound truths about sex, commitment, communication, career, child-rearing, and more. Find out: \* The formula for life success \* How to avoid outside forces conquering you \* Turning the tide on fatherlessness \* Building character step-by-step \* Ten investments to maintain a GREAT marriage. Three Essential Elements to Build Relationships that Last! Most men would do almost anything to overcome their three primary problems in relationships with women. Communication, Sex & Money has solid solutions for all three. Filled with everyday examples, the book will teach readers how to defeat difficulties and create a satisfying, peace-filled, and long-lasting marriage. For years, men have called this Christian bestseller the "sex and money" book, while wives have bought it for husbands in hopes of improving communication. Whatever the motivation, thousands of men have turned their relationships around by applying these time-proven patterns and principles. Society's widening gap between technological achievement and moral decay compels men of courage, integrity and true manhood to stand strong. In a quest for satisfaction, many men have lost the meaning of manhood, surrendering ideals to things immoral, illegal, unethical, or irresponsible. Today's tough times require men to overcome dangerous philosophies and bring hope, dignity, and order back to a world in desperate need--men who are willing to be heroes. "What you believe is the basis for conduct, character, and destiny. While the world looks for better methods, God looks for better men." --Edwin Louis Cole "Once again, Ed Cole has delivered a stirring message for men. Strong Men in Tough Times is filled with illustrations and the practical advice that men need for victorious living." --Pat Robertson, Christian television hero "Sometimes you meet a man who forever impacts the way you think and, most importantly, the way you live. Dr. Edwin Louis Cole was such a man, and is such a man through his writing. Enjoy!" --Chuck Norris, political and action hero Edwin Louis Cole was known for his practical application of wisdom. Using pithy statements and a confrontational style that demanded social responsibility and family leadership, he mentored hundreds of thousands of men worldwide. Over five million people have studied his principles in the last fifty years. His powerful books have become the most widely-used Christian men's resources in the world. Braving today's masculinity maze, with its confused images that distort real manhood, requires courage and wisdom. Edwin Louis Cole, as a mentor, friend, and spiritual father, declares a model for manhood that is infallible, functional, and yet feasible the manhood of Christlikeness. Real Man rips apart unfulfilling stereotypes, smothers the pressure of unrealistic demands, exposes cheap substitutes and sordid imitations of true manhood while giving a man the power he

needs to obtain the spirit and conviction of being a real man. Real Man addresses the full range of a man's life marriage, finances, friendships, success, failure, parenting, and spirituality. Jesus Christ overcomes substitute manliness and sets the standard for real manhood to help men be real. Pornography. Adultery. Television addiction. Immaturity. Dr. Edwin Louis Cole, known as "the father of the Christian men's movement," was not afraid to tackle the tough topics that affect men today. His straightforward, biblical insights help men and women alike to realize their full potential in Christ. Putting the principles found in Maximized Manhood into practice will revolutionize your home and transform your life into what God designed it to be. This newly revised edition of a bestselling book for men just got better Victory is always on the other side of a fight. Here is help to win the battles and keep on winning! Daring: A Call To Courageous Manhood sets the tone for a new wave of masculinity by defining what it is to be a man of courage, endurance, and resolve. The unique, creative voice of Paul Louis Cole cuts through cultural clutter to speak to the issues that lay in the heart of every man. From the streets of New York to the mountains of Nepal, young men and old are fighting a war waged against them, both physically and spiritually, by the enemy of their souls. More than ever before in history, young men today must be trained to be men and have the courage to live in that manhood. When life is just too tough, God's faithfulness is tougher. Even if you're tempted to quit, you can make it through! Edwin Louis Cole was known for his practical application of wisdom. Using pithy statements and a confrontational style that demanded social responsibility and family leadership, he mentored hundreds of thousands of men worldwide. Over five million people studied his principles in the last fifty years. His powerful books have become the most widely-used Christian men's resources in the world. A Real Man Masters Maximized Living Maximize your life, as millions of men have worldwide, by studying the Christian classic Maximized Manhood! Edwin Louis Cole, the "father of the Christian men's movement," spoke with a prophetic voice to men. Just months before leaving earth for heaven, he revised his signature work, adding five crucial chapters he believed would strengthen Maximized Manhood for the next generation. Almost two million copies of Maximized Manhood and its

curriculum are in circulation today in more than forty languages. Dr. Cole and his wife Nancy served the Lord in ministry for more than fifty years. The ministry they co-founded with their son Paul, Christian Men's Network, still strengthens men worldwide with the reality that "manhood and Christlikeness are synonymous." The best-selling book for men in the world...just got better! For too long we've lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear, informative, and inspiring narrative account of their country. Such a fresh retelling of the American story is especially needed today, to shape and deepen young Americans' sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society. The existing texts simply fail to tell that story with energy and conviction. Too often they reflect a fragmented outlook that fails to convey to American readers the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as *Land of Hope* brilliantly shows, there is no contradiction between a truthful account of the American past and an inspiring one. Readers of *Land of Hope* will find both in its pages.

Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to [anth101.com](http://anth101.com), a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters. Understand today why God created you to be sexual and discover the pleasure of honoring your most precious gift! God made sex good! Sex is to be valued and respected. You have one thing that you can give one time to only one person in one lifetime. Possibly the most unusual and the most important book about sex you will ever read. *Sexual Integrity Workbook* addresses sexuality with powerful insight. Refreshing wisdom for every sexual question or issue you

have. Edwin Cole tackles tough topics that affect men today through straightforward, biblical insights that help men and women alike to realize their full potential in Christ. *Contemporary Leadership in Sport Organizations* blends research on leadership with practical application of the skills and knowledge that students will need on the job. This text provides sport management students with a comprehensive understanding of the complex topic of leadership in sport through a presentation of foundational and contemporary research, numerous practical examples and analytical exercises, and thought-provoking self-assessments and quotes. More than leadership tips from a sport personality, *Contemporary Leadership in Sport Organizations* translates classic and contemporary research in leadership into leadership skills and behaviors that are useful in present-day sport settings. Synopses of research findings are presented in table format for an accessible approach to understanding the three Rs of leadership: relationships, results, and responsibility. In addition, a variety of learning features reinforce content:

- Practical examples provide opportunities to critically consider the concepts under discussion.
- Chapter-opening objectives, as well as pre- and postchapter self-assessments, help students measure their understanding of chapter content.
- Specific examples and case studies applicable to a broad range of sport leadership roles put research into practice.
- On the Sidelines stories, Your Thoughts boxes, and questions at the end of chapters are incorporated throughout the book to provide examples and stimulate discussions applicable to a broad range of sport leadership roles across youth, amateur, intercollegiate, professional, and commercial sport organizations.

Part I of the text offers a leadership primer, introducing the elements of business and educational environments in which sport organizations operate. Students will learn how leaders in sport organizations typically assume both managerial and leadership roles and how these roles integrate and diverge, and they will review the historical foundation and evolution of leadership theories from the academic literature. Part II covers applied leadership thought and action and how leaders can become more effective in addressing critical challenges of the present and future. Key topics such as decision making, organizational change, emotional intelligence, vision, strategic planning, and crisis management are discussed. Professional growth and development are the focus of part III, considering multiple approaches and tools for improving self-understanding, personal development, and leadership mentoring. *Contemporary Leadership in Sport Organizations* provides a foundational and contextualized body of information regarding thought and practice in leadership to inform and inspire students of sport management. Whether preparing for leadership roles in sport organizations or preparing for teaching, research, and academic study in the field of sport leadership, students will gain a solid understanding of the theoretical foundations of leadership in sport and how it is applied to sport-related organizations of all types and sizes. Immutable principles that govern success! Everything in life follows a pattern, based on a principle. You thrive when you base your life on principles and build according to patterns

that work. Discovering principles is a lifelong passion for people who prosper. Study guide companion to *Treasure*, by best-selling author Edwin Louis Cole, which uncovers immutable principles that govern success. Describes the keys that have helped successful people worldwide prosper at a higher level: All of life is based on principles and follows patterns. Patterns are ways in which the universe operates. You will become successful and begin to prosper when you base your life on sound principles and establish proper patterns that work for you. This study guide is helpful for both individual or in a group discipleship setting. There is a path leading to authentic manhood, cut by men who have gone before us, sons following in the footsteps of their fathers, generation after generation. There are perils along the trail, even disasters?all the more reason to rely on the guidance of a Father who has gone before. But in an age when true fathers are in short supply, how do you find the path to manhood? How do you steer clear of the dangers? John Eldredge calls men back to a simple and reassuring truth: God is our Father. In life's trials and triumphs, God is initiating boys and men through the stages of manhood from Beloved Son to Cowboy to Warrior to Lover to King to Sage. *Fathered by God* maps out the path of manhood?not more rules, not another list of principles, not formulas, but a sure path men have followed for centuries before us. Find that path and become the man God sees in you. The inherent purpose of all men is fatherhood. Whether a man is married or single, and whether or not he has children, he is designed by God to fulfill the role of father in the lives of those around him. It is his calling to reflect the creative and cultivating nature of God. This book provides key principles and insights that will teach you how to be a father in your personal sphere of influence. In clear and compelling terms, Dr. Munroe explains how a man can become source, nourisher, sustainer, protector, teacher, discipler, leader, head, caring one, and developer. *The Fatherhood Principle* provides practical guidelines for fulfilling your God-given fatherhood role by showing you... How to be the foundation of your family How to be strong even in the storms of life How to meet the needs of women How to develop the potential and gifts of children How to find your life's vision Five vital purposes of the male Discover God's original blueprint for men and step into your true purpose in life. With no-holds-barred honesty and poignant storytelling, Nate Larkin introduces a model of community and friendship that is reinvigorating men's ministry across the country, a model he calls *The Samson Society*. Too many men see the biblical hero Samson as their model for manhood--a rugged individualist of the highest order. Yet, Samson's solitary successes were eventually overcome by moral weaknesses. Larkin, through the story of his own past and the stories of those in *The Samson Society*, offers a radical, refreshing alternative. Describes daily life in the Aztec world, including coverage of geography, foods, trades, arts, games, wars, political systems, class structure, religious practices, trading networks, writings, architecture and science. When life is just too tough, God's faithfulness is tougher! Whether you are facing the challenge of a job loss, mid-life crisis, troubled marriage, major illness, graduating, moving, financial

In this war, renowned men's author Steve Farrar emphasizes, Jesus Christ is looking for men who will not die, but live for their families. During the Age of Revolution, Paris came alive with wildly popular virtuoso performances. Whether the performers were musicians or chefs, chess players or detectives, these virtuosos transformed their technical skills into dramatic spectacles, presenting the marvelous and the outré for spellbound audiences. Who these characters were, how they attained their fame, and why Paris became the focal point of their activities is the subject of Paul Metzner's absorbing study. Covering the years 1775 to 1850, Metzner describes the careers of a handful of virtuosos: chess masters who played several games at once; a chef who sculpted hundreds of four-foot-tall architectural fantasies in sugar; the first police detective, whose memoirs inspired the invention of the detective story; a violinist who played whole pieces on a single string. He examines these virtuosos as a group in the context of the society that was then the capital of Western civilization.
