their scores. The General Securities Representative Examination (Series 7) is an entry-level examination that qualifies the individual for registration with all self-regulatory organizations to trade, promote, and sell: Public offerings and/or private placements of corporate securities (stocks and bonds) rights warrants mutual funds money market funds unit investment trusts REITS asset-backed securities mortgage-backed securities options options on mortgage-backed securities municipal securities government securities repos and certificates of accrual on government securities direct participation programs securities traders venture capital ETFs hedge funds Trying to pass your Series 7 Exam? Pass The 7 is written with the reader always in mind. This Series 7 exam study guide uses Plain English and concise explanations as it ticks off the items mentioned on the FINRA Series 7 exam outline point-by-point. To reduce your frustration in obtaining your Series 7 license, we try to make sure each sample question in our Pass The 7 Online Practice Question Bank is explained within this textbook. In fact, we encourage you to use this study guide while working through the Series 7 sample questions. When you encounter a tough practice question, you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved on the Series 7. Remember that the Series 7 is not a memorization test but, rather, a "competency exam." Too many Series 7 exam candidates go to the testing center expecting to simply recognize a few vocabulary terms when, in fact, passing your Series 7 exam requires you to work with the information at a much deeper level. That's why we explain things in a way you'll both understand and remember at the testing center. It takes more work on our end, but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 7 exam study guide to a higher level by presenting you with well over 1,200 challenging questions in our Pass the 7 Practice Exam Question Bank. However, our sample questions are not designed to merely trick you--which most people find discouraging and confusing at best. Rather, our Series 7 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 7 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow. For an extra edge, try writing your own variations of our Series 7 practice questions in this same notebook, something our tutoring clients have found extremely helpful. Pass the 7 is your guide to a passing score on the Series 7 exam. This textbook is at the same time in-depth and easy to read. We don't skimp on the details found on the FINRA Series 7 outline. Rather, we skimp on the filler found in many of the more tedious Series 7 license exam manuals on the market. To give yourself an edge on this difficult license exam buy this book and then go to www.examzone.com to purchase the Pass the 7 Practice Exam Question Bank and other Series 7 study materials. The Series 7 is not easy. The best time to get started is . . . now." 7th Grade Math Multiple Choice Questions and Answers (MCQs): Quiz & Practice Tests with Answer Key PDF (Grade 7 Math Question Bank & Quick Study Guide) includes revision guide for problem solving with hundreds of solved MCQs.
