Disciple IV Under the Tree of Life: Study Manual Oct 26 2019 Participants in Disciple IV Under the Tree of Life will recognize the familiar rhythm and requirements of daily Scripture reading and note taking in preparation for the discussion in the weekly group meeting. The study manual guides daily study of the biblical text and calls for written responses that become grist for discussion in the weekly group meeting. Two new elements in the study manual format represent special emphases in this study - the Psalm of the week and the radical disciple. The Psalm of the week will lead people into a deeper life of prayer using Psalms as a guide. It is to be prayed aloud both daily and weekly in the study group session. Study manual suggestions on experiencing the Psalm of the week pay attention to feelings as well as words. The radical disciple focuses on thoughts or actions relevant to the weekly theme. Whether praying or taking steps toward radical discipleship, participants know they are not alone - the community is there. Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual research and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. Disciple IV Under the Tree of Life is the final study in the four-phase DISCIPLE program. The study concentrates on Old Testament Writings, the Gospel of John, the Epistles of John, James, Jude, and finally, Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads naturally to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32-week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings.

**Words of Life** Aug 17 2021 What if the Ten Commandments were not just a set of ancient rules, but a guide to experiencing the good life today?

"Adam Hamilton is a teacher of the highest order, able to bridge the gap between very old divine teaching and very current human reality."—Barbara Brown Taylor, author of *Always a Guest: Speaking of Faith Far from Home* Nearly everyone has heard of the Ten Commandments, the list of "thou-shalt-nots" found in the Bible. Jesus saw these commandments not as onerous burdens, but as guideposts to help us experience a good and beautiful life. These ten ancient "words" were given to us by a loving God who longed to set safe boundaries, create order out of chaos, help communities live peacefully, and protect us—often from ourselves. In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou-shalt-not was intended to point to a life-giving "thou shalt." He also explores how the latest research in science and psychology illuminates these commandments, rightly understood, as a way of ordering one's life beautifully in the present day. In a culture marked by workaholicism, materialism, and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace. A landmark work from one of our most trusted biblical thinkers, *Words of Life* is an inspiring, thought-provoking read for anyone seeking to live a meaningful and joyful life.

**Habits of Grace (Pack of 25)** Jul 16 2021 Our God is lavish in his grace. He's free to liberally dispense his goodness without the least bit of cooperation or preparation on our part, and often he does. But he also has regular channels through which he pours out his favor. These are sometimes called "spiritual disciplines" or "means of grace." We as Christians can routinely avail ourselves of these revealed paths of blessing, positioning ourselves to go on getting as God keeps on giving. His regular channels of grace are his voice, his ear, and his body--the Bible, prayer, and fellowship. The greatest grace along these paths is knowing and enjoying Jesus himself. **HEARING GOD'S VOICE** The fundamental means of God's ongoing grace, through his Spirit, in the life of the Christian and the life of the church is God's self-expression in his Word, in the gospel, perfectly kept for us and on display in all its textures, riches, and hues in the external written word of the Scriptures. The Bible is for us. The whole Bible is for the whole church. There's simply no replacement for finding a regular time and place, blocking out distractions, and letting your mind and heart be led and captured and thrilled by God himself communicating through his objective written words. As you read, learn to linger over a text, whether seeking to better understand it ("study"), or to emotionally glory in that understanding ("meditation"), or to memorize a portion to help renew your mind throughout the day. As we understand and engage with Scripture's meaning, we refocus our souls for living out our day. We increasingly "have the mind of Christ" (1 Corinthians 2:16) as we're conformed to his image. **HAVING GOD'S EAR** As we go deep in God's revelation, taking it into our very souls and being changed by his truth, we respond to him in prayer. God not only bids us hear his voice; he wants to hear ours. Prayer, for the Christian, is not merely talking to God, but responding to the One who has initiated toward us. He has spoken first. This is not a conversation we start, but a relationship into which we've been drawn. Prayer makes its requests of God, but is not content to only receive from God. Prayer must have him. Prayer is ultimately about having more of God. Private prayer shows who we really are spiritually. It's essential in healing the many places we find ourselves broken, needy, lacking, and rebellious. Prayer changes hearts like nothing else. It's for all of life, and especially for our life together in community. Praying together adds power to the request, but also means more glory for the Giver when he answers. **BELONGING TO HIS BODY** We were made to worship Jesus together. Corporate worship is the single most important means of grace and our greatest weapon in the fight for joy. More than any other means, corporate worship combines all three principles of God's ongoing grace: his word, prayer, and fellowship. In corporate worship, our focus together is the crucified and risen Christ and the incomparable excellencies of his person and work. We experience the secret of worship--the joy of self-forgetfulness--as we become preoccupied together with Jesus and his manifold perfections. In our gatherings for corporate worship, hearing the fresh preaching of the gospel from the Scriptures is the climactic grace. It's that moment among the assembled church when God speaks most clearly and completely. In faithful Christian preaching, we not only hear about Jesus, but we meet him. The act of preaching itself is a picture of the gospel. As the preacher stands behind the Book, doing his level best to reveal Jesus afresh to his people, our Lord is put on display. When we listen, we realize that what we need is not some boost from a trusted fellow to get us over the wall, but the rescue of the Savior for the utterly helpless. And so Jesus was sent not only to die as the remedy, but to preach (Luke 4:43). Jesus himself is the person the Scriptures most often refer to as preaching. Jesus was the ultimate preacher, but after his ascension, the preaching doesn't disappear. When we turn to Acts in the Bible, preaching is alive and well as ever. The preaching of the Groom [Jesus] extends into the life of the church. **GRACE WILD AND FREE** In considering these means of grace and the habits that help us go on receiving God's grace in our lives, this much must be made clear: These things are never about earning God's favor. God's grace is unmeasured, boundless, wild--and free. Because of it, we're enabled to repent of our sins and to believe God's promises. It is grace to be forgiven of sinful acts and grace to be supplied the heart for righteous ones. It is grace that we are increasingly "conformed to the image of his Son" (Romans 8:29), and grace that he doesn't leave us in the misery of our sin but pledges to bring to completion the good work he has begun in us (Philippians 1:6). This flood of God's favor brings us his forgiveness and our adoption as his children. It starts us on the path of grace-empowered effort and initiative. Have you taken the first step on this journey?

**God on Mute** Jan 10 2021 An honest, soul-searching pursuit of biblical answers to one of Christianity's most challenging questions: What do you do when God meets your prayers with silence? Many of us have struggled with prayers that seem to go unanswered, and Pete Greig has been down that difficult road of doubt. This book is both intensely personal and deeply theological—a book born out of his wife Sammy's fight for her life after a horrifying diagnosis. The acclaimed author of *Red Moon Rising* wrestles with the hard side of prayer, how to respond when there seem to be no answers, and how to cope with those who seek to interpret our experience for us. For those struggling with prayer, *God on Mute* brings a message of hope and comfort, but also a better understanding of how we communicate with our Creator. Using the timeline of Holy Week (from Maundy

Thursday through Easter Sunday) as a template, Greig explores four main questions about prayer from all angles: How am I going to get through this? Why aren't my prayers being answered? Where is God when he seems silent? When every prayer is answered...what does that mean? Silence in response to our most heart-felt prayers is the hardest thing for a person of faith to wrestle with. The world collapses. Then all goes quiet. Words can't explain what we're going through. People avoid you and don't know what to say. So you turn to Him and you pray. You need Him more than ever before. But somehow even God Himself seems on mute. And this sinks into us with a sense of futility... But even in this crushing silence, there is a way forward. Here is a story of faith, hope, and love beyond all understanding. Includes guide for group discussion.

**Life-Study of Revelation** Feb 29 2020 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

**Statistical Methods for Quality of Life Studies** Dec 09 2020 On October 16 and 17, 2000, we hosted an international workshop entitled "Statistical Design, Measurement, and Analysis of Health Related Quality of Life." The workshop was held in the beautiful city of Arradon, South Brittany, France with the main goal of fostering an interdisciplinary forum for discussion of theoretical and applied statistical issues arising in studies of health-related quality of life (HRQoL). Included were biostatisticians, psychometricians and public health professionals (e.g., physicians, sociologists, psychologists) active in the study of HRQoL. In assembling this volume, we invited each conference participant to contribute a paper based on his or her presentation and the ensuing and very interesting discussions that took place in Arradon. All papers were peer-reviewed, by anonymous reviewers, and revised before final editing and acceptance. Although this process was quite time consuming, we believe that it greatly improved the volume as a whole, making this book a valuable contribution to the field of HRQoL research. The volume presents a broad spectrum of papers presented at the Workshop, and thus illustrates the range of current research related to the theory, methods and applications of HRQoL, as well as the interdisciplinary nature of this work. Following an introduction written by Sir David Cox, it includes 27 articles organized into the following chapters.

*Falling Upward* May 14 2021 We grow more spiritually by doing it wrong than by doing it right In *Falling Upward*, Fr Richard Rohr offers a new understanding of one of life's most profound mysteries: how our failing can be the foundation for our ongoing spiritual growth. Drawing on the wisdom from time-honoured myths, heroic poems, great thinkers and sacred religious texts, the author explores the two halves of life to show that those who have fallen, failed, or 'gone down' are the only ones who understand 'up'. The heartbreaks, disappointments and first loves of life are actually stepping stones to the spiritual joys that the second half has in store for us. 'I thank God for Richard Rohr's sage-like presence in our culture: I honestly don't know where I'd be without it.' Brian Draper 'Richard Rohr at his vintage best: prophetic, pastoral, practical.' Cynthia Bourgeault 'A voyage into the mystery and beauty of healthy spiritual maturity.' Mehmet Oz, MD, host of the Dr Oz Show
