Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

But You're Still So Young Dec 03 2019 One of . . . Vogue's "Best of 2021" — BuzzFeed's "Most Anticipated 2021" — The Week's "Must Reads in 2021" — PopSugar's "A Running List of the Best Books of 2021" From the author of *Text Me When You Get Home*, the acclaimed celebration of friendship, comes a timely and essential look at what it means to be a thirtysomething . . . and how it is more okay than ever to not have every box checked off. The traditional "check list" of becoming an adult has existed for decades. Sociologists have long identified these markers of adulthood as: completing school, leaving home, establishing a career/becoming financially independent, getting married, and having children. But the signifiers of being in our thirties today are not the same—repeated economic upheaval, rising debt, decreasing marriage rates, fertility treatments, and a more open-minded society have all led to a shifting definition of adulthood. *But You're Still So Young* cleverly shows how thirtysomethings have rethought these five major life events. Schaefer describes her own journey through her thirties—including a nonlinear career path, financial struggles, romantic mistakes, and an unconventional path to parenthood—shares findings from data research, and conducts interviews nationwide. For each milestone, the book highlights men and women from various backgrounds, from around the country, and delves into their experiences navigating an ever-changing financial landscape and evolving societal expectations. The thirtysomethings in this book envisioned their thirties differently than how they are actually living them. He thought he would be done with his degree; she thought she'd be married; they thought they'd be famous comedians; and everyone thought they would have more money. Schaefer uses her smart narrative framing and relatable voice to show how the thirties have changed from the cultural stereotypes around them, and how they are a radically different experience for Americans now than they were for any other generation. And as Schaefer and her sources show, not being able to do everything isn't a sign of a life gone wrong. Being open to going sideways or upside down or backward means finding importance and value in many different ways of living.

Looseleaf for Sociology Matters Jun 08 2020 Richard T. Schaefer's *Sociology Matters* is a concise introduction to the discipline of sociology. Schaefer's characteristic straightforward style, a streamlined design, and highly focused coverage make it the perfect affordable, ultra-brief, introductory text for instructors who use a variety of materials in their course.

Sociology Matters Jun 01 2022 Richard Schaefer's *Sociology Matters* is a very concise introduction to the discipline of sociology. Its straightforward style, streamlined design, and highly focused coverage make it the perfect short, affordable, introductory text for instructors who use a variety of materials in their course. *Sociology Matters* helps students understand and connect to the topics it covers by answering the question "How does sociology matter?" "After more than 30 years of teaching sociology to students in colleges, adult education programs, nursing programs, an overseas program based in London, and even a maximum-security prison, I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills. Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures." —Richard T. Schaefer

Sociology in Modules Loose Leaf Jul 02 2022 *Sociology in Modules* adapts to the classroom and students by utilizing a flexible teaching format. It allows instructors to choose the content they know and trust and present it in a layout that students can manage. Its proven online experience adapts to students' learning needs, enhancing the understanding of the topics and developing their sociological imagination. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Sociology Nov 06 2022 Like its predecessors, the seventh edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. An optional package combines Schaefer, *Sociology, Seventh Edition* and *Reel Society Interactive Movie 2.0 CD-ROM* at nominal extra cost. "The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and the

offshoring of service jobs." Richard T. Schaefer

Sociology in Modules Jan 08 2023 Why Modules? We listened to the increasing demand of instructors for more flexibility with teaching materials. "Sociology in Modules" provides an appealing alternative for those instructors who feel that breaking up each chapter into 2-4 modules would allow them to assign the content they want in the order that they want. This modular format was also created to cater to the way in which students learn. Using an adaptive diagnostic tool to help students identify what they know and don't know, "Sociology in Modules" helps students move towards an understanding of the foundations (theory) of sociology by presenting material in more manageable chunks. Instead of facing long and daunting chapters, modules encourage student reading and end of module pedagogy reinforces key concepts. Richard Schaefer has adapted his proven content to meet the changing needs of instructors and students. "Sociology in Modules" is the most flexible program for teaching and learning sociology. Prepare your students to take sociology with them...one module at a time.

Sociology in Modules 2/e Looseleaf Text Apr 30 2022

ISE Sociology in Modules Sep 11 2020

Sociology Jan 28 2022 Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well respected text combines a balanced three-perspective approach with excellent student oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full length books.

Sociology: a Brief Introduction Feb 26 2022 Schaefer, Sociology: A Brief Introduction, 7th Canadian Edition provides students with the tools they need to successfully navigate in today's social world. The new edition offers a Canadian perspective within a global context, allowing students to examine the place of themselves and others in society. The new edition has been completely updated with the Canadian student in mind. Students will engage with content that features relevant social topics, diverse examples, and the latest Canadian statistics, research and data. This resource is ideal for degree and diploma level Introductory Sociology courses, or for any learner eager to explore the study of social worlds.

Looseleaf for Sociology: A Brief Introduction Dec 27 2021

Sociology Oct 01 2019 Like its predecessors, the tenth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. An optional package combines Schaefer, Sociology, with PowerWeb , Tenth Edition and Reel Society Interactive Movie 2.0 CD-ROM at nominal extra cost. "The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and privacy and censorship in an electronic age." – Richard T. Schaefer

Sociology Aug 23 2021

Racial and Ethnic Groups Mar 18 2021 This best-selling Race & Ethnic Relations text is grounded in a socio-historical perspective with engaging stories and first person accounts. Racial and Ethnic Groups helps students understand the changing dynamics of the U.S. population. By using a socio-historical perspective, the author frames issues by examining our history, exploring the current situation, and discussing the concerns for the future. Racial and ethnic relations in the United States are at a dynamic and exciting time. Major events are shaping our society, such as population and immigration changes, the election of the first African-American president, and increasing diversity throughout our society. This census update has taken advantage of the September 2009 release of the American Community Survey and the information

calculated from the 2009 Annual Social and Economical Supplements to the Current Population Survey conducted by the U.S. Census Bureau. The authors have also taken the opportunity to include additional information on the first year of the Obama administration, passage of the Lilly Ledbetter Fair Pay Act, the 2009 Ricci v. DeStefano “reverse discrimination” case, the controversy over the arrest of Henry Louis Gates Jr. in his home, the creation of a new citizenship test, and the addition of Sonia Sotomayor to the Supreme Court. Also, information throughout the text has been updated, including over 40 tables and figures, all top 10 lists, and more. For a visual walkthru of the text, please visit: http://www.pearsonhighered.com/showtell/schaefer_0205683665
