**Whether you're looking to supercharge your workouts, improve on your personal bests, or overcome your personal fitness plateau and achieve never before seen results, The Dumbbell Workout Handbook: Strength & Power shows you how! The 12-week plan for men to get into the best shape of their life. Burn fat, build muscle and get that ideal body. The former fitness editor of Men's Health magazine presents the ultimate no-excuses workout book for time-pressed men and women at every fitness level. For most people, the hardest hurdle to overcome in following a fitness regimen is simply finding the time to do it. But as this book shows, it is possible to burn fat, build muscle, and stay fit—no matter how much (or little) time one has! That's the promise fitness expert Myatt Murphy makes in this fabulous new exercise guide—the first book that offers a wide range of workouts catered to any schedule. Workouts are organized by how many days a week individuals have to exercise, and subdivided into 10-, 20-, 30-, 45-, and 60-minute exercise blocks. There are four variations on each of the above regimens—one for building lean muscle, one for weight loss, one for muscle power, and one that gives the best of all three. All in all, there are 120 workout choices, each specifically created to match the exerciser's**

**current goals! Murphy shows how to complete any workout in a time-efficient way and how to compensate for limited time with different exercises that will keep muscles challenged. More than 250 photographs illustrate the exercises, and sound nutritional tips round out this all-new approach to fitness—destined to be the workout bible for countless busy people. From the author of the national bestseller *The Complete Book of Abs* comes the definitive book on the Next Big Thing in fitness -- core training**

**From the bestselling author of *The Complete Book of Abs* comes this comprehensive guide to a new movement in fitness: core training. The body's "core" refers to the muscles that comprise the center of your body: the muscles of the abdomen, lower back, butt, and hips. With the increasing popularity of yoga and Pilates -- both of which depend on strong core muscles -- the fitness community has turned its focus from the abs to the core. The Brungardt brothers simple 9-week program is based on over 100 exercises and includes workouts appropriate for beginners and fitness enthusiasts alike. This book will help men and women of all body types and fitness levels to strengthen their core for better mobility, posture, and physique. Get ready to get fit! The easiest, most inexpensive way to build muscle strength, size, and power turns out to be the best, with this supremely effective guide from the world's largest men's magazine**
