Son of Man Jan 16 2021 Would You Like to Know Jesus as Those Closest to Him Did? There are many books describing the life and times of Jesus. This biography puts no words in Jesus's mouth other than his own-those recorded in the Bible by Matthew, Mark, Luke and John. This account of Christ's ministry years unfolds in chronological order and stands you squarely next to Jesus as he walks a path that leads to a cross, putting flesh and blood on his experiences and teachings. Son of Man: A Biography of Jesus arranges the Gospels in a narrative arc with a clear beginning, middle, and end. It reorders the nonlinear storyline of the Gospels and tells the story chronologically to help you see how, and maybe more importantly, why things unfolded as they did. To create the you-are-there feel it is written in present tense and Jesus's story is told in the context of his culture. The geography, climate, politics, racism, social norms, religion, traditions, economics, morality, language, and customs of the second temple era play key roles in this narrative. What emerges is a holistic, historically accurate dramatization that provides a 360-degree view of Jesus and his world.

Through this book, you can take a trip through time and sit at the feet of the Son of Man. No fictionalized elements or dialog have been added. All events and quotations are taken from the texts of Matthew, Mark, Luke, John, and Acts. All of Jesus's recorded words and actions are included, and duplicate accounts have been harmonized. Recent books about the life of Christ have been skeptical of the Bible and have used Jewish and Roman texts as their primary sources. Religious and secular history books provide valuable insights into Jesus's world, but to understand the man himself, the best sources are the ancient narratives written by Matthew, Mark, Luke, and John. An appendix is included to help Bible students study Jesus's ministry years chronologically, pericope by pericope. For deeper research, Old Testament passages that are relevant to each event are cited. If you are a student of Jesus's life and times, or a follower of Jesus and his teachings, you will find yourself looking at Jesus with new eyes and new understanding. And you will gain a greater appreciation for what it must have taken for Jesus to do what he did: embody the Son of God in the Son of Man. "Harris's work takes complex events in the life of Jesus and explains them in the same simple way Jesus often explained complex events to the people of His own day. This is a fresh look at Jesus in a way that benefits both old scholars, new believers, and those who are just curious. Easy to pick up. Hard to set down." -TONY LISTON, pastor of Adventure Christian Community, Davenport, Iowa "At first I thought, 'A biography of Jesus...why?' Henry Harris has done a marvelous job of pulling together the Gospel accounts, adding both commentary and color that, in a very reader-friendly style invites us to take a freshly prepared look at the old, old story. As a pastor, I can see giving out copies to new converts and seekers, letting Jesus's life story kindle in them a desire to discover more in the treasure chest that is the Bible." -RICK LAWRENSEN, pastor of Nags Head Church, Nags Head, North Carolina "Son of Man is grounded in the Gospels and bolstered by just the right amount of cultural context, but is not afraid to take some risks to tell the story of Jesus in a modern and intuitive way. This makes it a great read for the beginner who desires a fuller,

more chronological account, but also for the veteran who wishes to see the story with fresh eyes." -ED TAYLOR, pastor of Quest Church, Arlington Heights, Illinois"

*Humble Orthodoxy* Jan 28 2022 We don't get to choose between humility and orthodoxy. We need both. Orthodoxy, for the faithful, evokes what's cherished and beautiful and eternal. Yet in our day, orthodoxy is too often wielded like a weapon, used to bludgeon others with differing points of view. The word has become associated with behavior like argumentative, annoying, and arrogant. It's time for God's people to demonstrate both right thinking and right attitudes. We are called to embrace and defend biblical truth. But that truth includes repeated commands to love our neighbor, love our enemy, and be clothed in gentleness and respect. In *Humble Orthodoxy*, bestselling author Joshua Harris examines New Testament teachings about the calling of believers to a love-infused courage that ignores foolish controversies, patiently endures evil, and champions truth with generosity of spirit. Without this kind of humility, Harris asserts, we become like the Pharisees—right in our doctrine, but ultimately destroying the cause of truth with our pride.

**Three Crucial Questions about Jesus** Feb 03 2020 The author of *Jesus as God and From Grave to Glory: Resurrection in the New Testament* now presents a study of what ancient non-biblical writers said about Jesus of Nazareth, as well as a thoughtful harmonization of the Gospel resurrection narratives.

*Before I Forget* Apr 18 2021 Who would ever imagine that an eighteen-year-old who began his career teaching thirty-two eight-year-olds in a state school in an insignificant city in the remote South Pacific would end up on the world stage as the writer of definitive technical volumes in the field of biblical studies and as the only scholar from Australia/New Zealand on the Committee on Bible Translation that produced the New International Version? This autobiography is the account of the surprising stages that led Murray Harris from his humble beginnings to ending his teaching career as a professor emeritus at a leading United States theological institution. These stages are here attributed to the gracious guiding hand of a God who delights in providing serendipities while

achieving his purposes. All this is recorded with humor and with many photos and illustrations.

**Colossians and Philemon** Aug 11 2020 One of twenty projected volumes in the Exegetical Guide to the Greek New Testament series, helping students and pastors alike to understand and expound the Greek text.

Letter to a Christian Nation Aug 23 2021 From the new afterword by the author: Humanity has had a long fascination with blood sacrifice. In fact, it has been by no means uncommon for a child to be born into this world only to be patiently and lovingly reared by religious maniacs, who believe that the best way to keep the sun on its course or to ensure a rich harvest is to lead him by tender hand into a field or to a mountaintop and bury, butcher, or burn him alive as offering to an invisible God. The notion that Jesus Christ died for our sins and that his death constitutes a successful propitiation of a "loving" God is a direct and undisguised inheritance of the superstitious bloodletting that has plagued bewildered people throughout history. . .

*Exploring the Bible* Dec 07 2022 Designed for the introductory Biblical studies course, this text surveys both the Old and New Testaments. This book takes a clear and honest presentation of the passages in the Bible from the legacy of Genesis to the book of Revelation. Narratives include Jesus's life and teachings and the promises of heaven and a new earth as they are outlined in the book of Revelation. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: • SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. • Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. • Progress dashboards that quickly show how you are performing on your assignments

and tips for improvement. • The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platform/s/connect/training-support-students.html>

**The Old Testament: An Introduction to the Hebrew Bible** Jul 22 2021 Designed for students undertaking their first systematic study of the Hebrew Bible, this text has two goals: to acquaint readers with the content and major themes of the biblical documents, and to introduce them to issues in biblical scholarship. Pedagogically rich and reader-friendly, this text was designed for conventional introductory courses using historical-critical methodology, and will also be useful in courses studying the Bible as literature, or as a reference text in the study of ancient religion.

**Outlines and Highlights for Understanding the Bible by Harris, Isbn** Dec 15 2020 Never HIGHLIGHT a Book Again! **Proclaim Jubilee!** Dec 03 2019 The biblical Jubilee that was celebrated once every fifty years is referred to in Leviticus 25 as the "Sabbath of Sabbaths". Its requirements included that the land lie fallow, all debts be forgiven, captives be freed, and a celebration held. Maria Harris considers the implications of a living Jubilee for today and for the next century. She offers a compelling argument that a living Jubilee is a comprehensive spirituality that would have a positive political, economic, and moral impact on individuals, families, religious congregations, institutions, and nations.

*Inspiration and Canonicity of the Bible* Dec 27 2021

*Inspiration and Canonicity of the Bible* Sep 23 2021

*The Book of Life by Thomas Harris* May 20 2021 This Book is about Mankind and the acts of man. Jesus describes the nature of man also the suffering believers Will tread upon. The word of

God allows you to know that True Believers Will Feel The Same Suffering as Christ in this World. Remember we are like sheep headed for slaughter. Over in Revelation God let us know of our troubles To except what God says about us Is excepting the truth Of God This is when you fine your name in this book. To except Christ is the only way we could be truly converted. I am saved are you? Bondage Dead Preverted Disgrace Doom Astray Fear Whoremonger Sackclothes Disgrace Drunkenness

Jesus as God Mar 18 2021 Jesus as God stands as one of the significant exegetical-theological contributions of the century. With linguistic and exegetical skill befitting his ranking as a leading international scholar, Murray J. Harris discusses the New Testament use of the Greek term *theos* ("God") as a christological title.

*Biblical Perspectives on Aging* Oct 01 2019 As the population of older Americans grows, meaningful perspectives on aging are needed by both the young and the old. *Biblical Perspectives on Aging: God and the Elderly* takes a detailed look at the views of aging presented in the Old and New Testaments. This wide ranging and insightful survey encompasses not only the entire Bible but also interpretations of sacred Middle Eastern and Judaic documents. This new expanded edition of the original classic text adds thorough discussions of the wisdom of the Bible and Jewish literature with ways to interpret these readings and what they teach about spirituality and growing older. Approaches to aging issues have changed in recent years. With the average American lifespan increasing, the view of old age as a solitary time of waiting has been pushed aside. So too has the assumption that the elderly simply want to remember "the good old days." This updated edition of *Biblical Perspectives on Aging: God and the Elderly* has expanded its scope to incorporate and address the effects of these changing views. This sweeping study of the Bible's positive treatment of aging and elderly figures sheds new light on contemporary society's negative view of the elderly and what can be done about it. Clear examples from both Scripture and literature provide a wealth of understanding, comfort, and wisdom to everyone interested in aging and the Bible. In addition, this new edition explores the changing relationships that exist among aging,

hermeneutics, mentoring, and spirituality. The new insights revealed here reinvigorate the challenge against ageism and traditional pictures of old age as a time of withdrawal and living in the past. Among the issues explored in *Biblical Perspectives on Aging: God and the Elderly* are aging experiences and the Bible, biblical theology and its role in social support for the elderly, hermeneutics and old age, spirituality and its relationship to aging, cross-generational relationships and mentoring, and a detailed index of Old and New Testament Scripture references. Accessible and concise, with compelling arguments and numerous examples, *Biblical Perspectives on Aging: God and the Elderly* is an ideal resource for pastors, seminary students, professionals, and leaders of programs for the elderly. It shows both young and old that while aging may not be easy, Biblical theology can ease some of its mystery. *Weather and Bible Prophecy* Apr 06 2020 The scientific and spiritual approach on how the weather may have played a major role in the Bible.

*All of the Trees in the Bible* Aug 30 2019 God grew the tree that would one day hold up His only -begotten Son There are many symbolic references to trees in the God's Word. What Can We Learn by Studying Them? God's majesty in His creations is evident when we look at the trees of the earth. Each one begins as a tiny seed that receives its daily nourishment from the sun and rain. Nothing is more vibrant than the beautiful autumn leaves, yet few things are as refreshing and promising as the first buds of spring. As we look at the trees during the four seasons, we are reminded of the ups and downs in our lives, how God is always there for us-providing our daily nourishment. *All the Trees of the Bible* is the most complete reference book on the subject. A must for every student of the Bible, this reference book contains original Greek and Hebrew names as well as Strong concordance numbers and definitions.

*The Nature of Creation* Apr 30 2022 It is generally assumed that science and religion are at war. Many now claim that science has made religious belief redundant; others have turned to a literalist interpretation of biblical creation to reject or revise science; others try to resolve Darwin with Genesis. "The Nature of Creation"

addresses this complex debate by engaging with both modern science and biblical scholarship together. Creation is central to Christian theology and the Bible, and has become the chosen battleground for scientists, atheists and creationists alike. "The Nature of Creation" presents a sustained historical investigation of what the creation texts of the Bible have to say and how this relates to modern scientific ideas of beginnings. The book aims to demonstrate what science and religion can share, and how they differ and ought to differ.

**Beyond the Tyranny of the Text** Jun 08 2020 Preachers and students of preaching need help communicating hope! They want their sermons to communicate the promises of scripture, so that people can envision a new world in which their lives will be transformed. Preachers want to experience a new sense of freedom in their preaching, and to extend liberation based on their reading and interpretation of the scripture. James Henry Harris introduces interpretation theory and continental philosophy as a resource for preachers to resist and overcome interpretive oppression, and lays out a new theory of scriptural interpretation. He analyzes philosopher Paul Ricoeur's hermeneutics as a helpful guide for modern preachers, and incorporates in his analysis of the lived experience of the Black church. Harris highlights the preaching of several 19th and 20th century Black women, including Jarena Lee, Maria Stewart, and Mary Evans. *Beyond the Tyranny of the Text* develops a five-part method for preaching that stretches from preparation to proclamation, and demonstrates how this method for interpretational creativity emerges from fidelity to the text. Harris demonstrates his method with sermonic exegesis of the Book of Jonah. With this new process of reading, rereading, un-reading, writing, and un-writing the text, the author offers wisdom and tools for reflection and illumination. At its core, *Beyond the Tyranny of the Text* challenges the field of homiletics and all preachers to un-write like Jesus Christ: to get in front of the text, to understand preparation and preaching as a creative and transformative enterprise.

*God Conversations* Mar 06 2020 How do I know it's God? is one of the most commonly asked

questions of new and mature Christians alike, and the aim of *God Conversations* is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

**I Kissed Dating Goodbye** Feb 14 2021 Dating. Isn't there a better way? Reorder your romantic life in the light of God's word and find more fulfillment than the dating game could ever give - a life of purposeful singleness.

*Slave of Christ* Feb 26 2022 Exploring what it means to be a slave of Christ, Murray J. Harris assesses the nature of slavery in the Greco-Roman world in this *New Studies in Biblical Theology* volume. He describes the New Testament's attitude toward slavery and discusses related topics like spiritual freedom, lordship, ownership and privilege.

*Do Hard Things* Oct 13 2020 Discover a movement of Christian young people who are rebelling against the low expectations of their culture by choosing to "do hard things" for the glory of God. Foreword by Chuck Norris • "One of the most life-changing, family-changing, church-changing, and culture-changing books of this generation."—Randy Alcorn, bestselling author of *Heaven* Combating the idea of adolescence as a vacation from responsibility,

Alex and Brett Harris weave together biblical insights, history, and modern examples to redefine the teen years as the launching pad of life and map a clear trajectory for long-term fulfillment and eternal impact. Written by teens for teens, *Do Hard Things* is packed with humorous personal anecdotes, practical examples, and stories of real-life rebelutionaries in action. This rallying cry from the heart of revolution already in progress challenges you to lay claim to a brighter future, starting today. Now featuring a conversation guide, 100 real-life examples of hard things tackled by other young people, and stories of young men and women who have taken the book's charge to heart, *Do Hard Things* will inspire a new generation of rebelutionaries.

**Understanding the Bible** Sep 04 2022

**Shalom! The Biblical Concept of Peace** Jun 20 2021

**Now What?** Sep 11 2020 This booklet helps converts build a firm faith and foundation. Explains the salvation experience and talks about the Bible, prayer, and God's will. *A Word of Encouragement for Young Converts* offers further follow-up.

**Inspiration and Canonicity of the Scriptures**

Nov 06 2022 In the modern debate on biblical interpretation and verbal inerrancy, this book gives weighty evidence for the historic Christian position that the Bible, the sacred canon, is the very truth of God and that it can be interpreted, understood, and applied in our time. The book considers the phenomena and data of the Bible and finds them consistent with the teaching of Christ and the apostles that they are both true and meaningful in any culture. Inspiration of the Bible and the canonical status of its books are closely interrelated matters, but the treatment of both subjects in one volume is all too rare. In the treatment of the canon, the book quotes extensively from the sources--the very early Christian writers as well as recent finds--the Dead Sea Scrolls and the books and papyri from Nag Hammadi in Egypt. It combines the extensive historical evidence with the witness and claims of the Bible itself. Reviews of the original work--that it was well-documented and thorough but profitable for any serious Christian layman--are still applicable to the revised and updated edition.

[All of the Animals in the Bible](#) Jun 01 2022 *All of the Animals in the Bible* is the complete scholar's handbook for Biblical research and study of animals found in Scripture.

**The Natural History of the Bible** Jan 04 2020

*Understanding The Bible* Jan 08 2023 This best-selling nonsectarian guide is designed for students undertaking their first systematic study of the Bible. Placing each book of the Old Testament, Apocrypha, and the New Testament fully in its historical and cultural context, *Understanding the Bible* acquaints readers with the content as well as the major themes of each biblical book, and familiarizes them with the goals and methods of important scholarship.

**Somewhere In The Bible** May 08 2020

For all who have found the Bible difficult to read and science hard to understand, this author did too! Wouldn't it be wonderful if someone would take the time to study things such as difficult verses? Also, would it be helpful if somebody wrote it in a book? Have we really found real truth to Noah's flood? Does anyone know the physics that could cause such a global occurrence? Someone has now researched for most of a lifetime, plus three extra years of intensive study. The answers are not always easy, the solutions not always simple. Modern Science finds more evidence almost daily that there once was a flood of such proportions. Author, Harris F. Allen has spent countless hours attempting to answer his own questions. He has a few tools including much science and Bible in his college studies. Always an active overachiever, Allen has become deaf and partially disabled. That left far more time and greater opportunity than he could ever imagine. Having a history of regular church attendance from his early youth, the author received a reasonable background, but always had some unanswered questions. So, in pharmacy school in a Baptist college, he excelled in New and Old Testament studies. Chemistry and science of various sorts were the main topics of study, and by adding Bible, that is an ideal mix for this discussion. Allen will present his findings from both a scientific view and a Biblical understanding. He will explain what he found about difficult verses and some parts of the Bible that seem at times to be in conflict. He will also discuss the physics, biochemistry and other dynamics that could be involved in such a

worldwide flood. Regardless of science or Biblical belief, the flood did occur at about the time the Bible said it did.

*Theological Wordbook of the Old Testament* Nov 13 2020 Formerly published as two volumes, this new edition is even easier to use. More than 1400 articles written by 43 Old Testament scholars, plus 400 sub-entries.

**The Bible Expositor's Handbook** Oct 05 2022

The Bible Expositor's Handbook provides a thorough introduction to the attitudes and practices required to deeply understand the message of the Old and New Testaments. Exhorting students of Scripture to approach the Bible with an attitude of humility and expectation, Greg Harris lays the groundwork for a Christ-centered interpretation that takes into account the redemptive story of the whole Bible. Employing a literal-grammatical hermeneutic, Harris leads the reader through the process of observing, interpreting, and applying God's word.

**Thoughts and Near Thoughts by Jim Harris**

Nov 01 2019 Words mean things. They are pregnant with imagery, tone, meaning, and texture. They are building blocks by which we can construct silly things or serious things. We can instruct and insult with our language. I choose to encourage and instruct. This book is a collection of thoughts, ideas, jokes, and truths. As a Christian, I am deeply committed to the Bible and the God who inspired it. My passion in life is to expose people to the truth of the

scriptures and make their lives better. I also love to laugh and make people laugh. That is a genuine joy in my life. I hope this book does two things for you. I pray it makes you think about your relationship with Christ, and I pray it makes you laugh. Life is simply too abbreviated not to enjoy the daily stage on which we live. Enjoy this book! It was written for you. Enjoy your life! It was gifted to you.

[God Cares What You Eat - Dietary Laws of the Bible](#) Jul 10 2020

Eating is not "Russian roulette!" Many people do not realize that because God loves His Creation, He also cares what people eat for food. He did not create the world, and then left Mankind to find out the hard way what things were good and healthy to eat, and which "foods" would harm or maybe even kill him. God has given some very clear guidelines in the Bible as to what things on Planet Earth are OK to be eaten, and which things are not designed to be food for humans. This should not be surprising, because God is the ultimate Designer. Everything is made by Him for a purpose. There is a good chance that you have never heard a clear explanation of what foods God wants you to eat, and which things to avoid. God lovingly promises that if you follow His guidelines you will live a much better life. And to ignore His rules is to ask for health problems. And remember that God's rules are always for our good.
