Predicts that the U.S. will face a crisis in the next millennium that will threaten the country's survival A Wall Street Journal bestseller From the author of New Rules of Marketing & PR, a bold guide to converting customer passion into marketing power. How do some brands attract word-of-mouth buzz and radical devotion around products as everyday as car insurance, b2b software, and underwear? They embody the most powerful marketing force in the world: die-hard fans. In this essential book, leading business growth strategist David Meerman Scott and fandom expert Reiko Scott explore the neuroscience of fandom and interview young entrepreneurs, veteran business owners, startup founders, nonprofits, and companies big and small to pinpoint which practices separate organizations that flourish from those stuck in stagnation. They lay out a road map for converting customers' ardor into buying power, pulling one-of-a-kind examples from a wide range of organizations, including: · MeUndies, the subscription company that's revolutionizing underwear · HeadCount, the nonprofit that registers voters at music concerts · Grain Surfboards, the board-building studio that willingly reveals its trade secrets with customers · Hagerty, the classic-car insurance provider with over 600,000 premier club members · HubSpot, the software company that draws 25,000 attendees to its annual conference For anyone who seeks to harness the force of fandom to revolutionize his or her business, Fanocracy shows the way. Tony Robbins has changed thousands of lives. The wisdom in this book can instantly change yours. 35 of his most valuable and inspiring quotes relating to health, wealth, wisdom and well-being have been de-constructed and explained including actionable information as to how you can implement the lessons into your day-to-day life. Through all of his books, lectures and seminars I have narrowed down the key 15 principles for a successful life that he is constantly encouraging to ensure lasting happiness. Living by these has made huge improvements to my life, and will do for yours too. Do you want to ensure you are ready to face every day with the confidence, energy and positivity Tony does? His 10-minute, easy to follow morning "priming" routine is also included in this book. *BONUS CHAPTER* The Power of Habit "In essence, if we want to direct our lives, we must take control of our consistent actions. It's not what we do once in a while that shapes our lives, but what we do consistently." - Tony Robbins. To ensure you get the most value out of this book as possible, I've also included a bonus chapter on habits, the science behind them and the easiest method for you to successfully add the lessons this book provides into your life. Take action, get your copy today! Accelerate your journey to financial freedom with the tools, strategies, and mindset of money mastery. Regardless of your stage of life and your current financial picture, the quest for financial freedom can indeed be conquered. The journey will demand the right tools and strategies along with the mindset of money mastery. With decades of collective wisdom and hands-on experience, your guides for this expedition are Peter Mallouk, the only man in history to be ranked the #1 Financial Advisor in the U.S. for three consecutive years by Barron's (2013, 2014, 2015), and Tony Robbins, the world-renowned life and business strategist. Mallouk and Robbins take the seemingly daunting goal of financial freedom and simplify it into a step-by-step process that anyone can achieve. The pages of this book are filled with real-life success stories and vital lessons, such as... · Why the future is better than you think and why there is no greater time in history to be an investor · How to chart your personally tailored course for financial security · How markets behave and how to achieve peace of mind during volatility · What the financial services industry doesn't want you to know · How to select a financial advisor that puts your interests first · How to navigate, select, or reject the many types of investments available · Success without fulfillment is the ultimate failure! Financial freedom is not only about money—it's about feeling deeply fulfilled in your own personal journey "Want an eye-opening guide to money management—one that tells it like it is and will make you laugh along the way? Peter Mallouk's tour of the financial world is a tour de force that'll change the way you think about money." —Jonathan Clements, Former Columnist for The Wall Street Journal "Robbins is the best economic moderator that I've ever worked with. His mission to bring insights from the world's greatest

financial minds to the average investor is truly inspiring.” —Alan Greenspan, Former Federal Reserve Chairman “Tony is a force of nature.” —Jack Bogle, Founder of Vanguard Hailed by Tony Robbins as the “definitive breathwork handbook,” Just Breathe will teach you how to harness your breath to reduce stress, increase productivity, balance your health, and find the path to spiritual awakening. Big meeting jitters? Anxiety over a test or taxes? Hard time focusing? What if you could control your outcomes and change results simply by regulating your breath? In this simple and revolutionary guide, world-renowned pioneer of breathwork Dan Brulé shares the Breath Mastery technique that has helped people in more than fifty countries reduce anxiety, improve their health, and tap infinite stores of energy. Just Breathe reveals the truth that elite athletes, champion martial artists, Navy SEAL warriors, first responders, and spiritual yogis have always known—when you regulate your breathing, you can moderate your state of well-being. So if you want to clear and calm your mind and spark peak performance, the secret is just a breath away. Breathwork gives you the tools to achieve benefits in a wide range of issues including: managing acute/chronic pain; helping with insomnia, weight loss, attention deficit, anxiety, depression, trauma, and grief; improving intuition, creativity, mindfulness, self-esteem, and leadership; and much more. Now updated with new material, Notes from a Friend is a concise and easy-to-understand guide to the most powerful and life-changing tools and principles from Tony Robbins, bestselling author and an international leader in peak performance. Starting in 1991, a self-published version of this book has been handed out to thousands of people in need, as part of the Tony Robbins Foundation’s Thanksgiving “Basket Brigade.” The book helped so many individuals overcome the most challenging circumstances that people repeatedly asked to purchase it for themselves and for their friends. Now, for the first time, it is available to you in this special, updated edition containing new material. Buy this book and you change a life. Read this book and you’ll change your own. The tale of the emperor and his court, who allow themselves to be swindled by two impostors until a child tells the truth. The famous and much-loved Danish author Hans Christian Andersen celebrated his 200 anniversary the year 2005. On this occasion we have published five of his best tales retold for children aged 3-9 years and with new illustrations: Tinderbox, The Little Match Girl, The Nightingale, The Emperor's New Clothes and The Ugly Duckling. Hans Christian Andersen wrote The Emperors New Clothes in 1844. In this powerful book of quotations, Byron Katie talks about the most essential issues that face us all—love, sex, and relationships; health, sickness, and death; parents and children; work and money; and self-realization. The profound, lighthearted wisdom embodied within is not theoretical; it is absolutely authentic. Not only will this book help you on many specific issues, but it will point you toward your own wisdom and will encourage you to question your own mind, using the four simple yet incredibly powerful questions of Katie’s process of self-inquiry, called The Work. Katie is a living example of the clear, all-embracing love that is our true identity. Because she has thoroughly questioned her own mind, her words shine with the joy of understanding. “People used to ask me if I was enlightened,” she says, “and I would say, ‘I don’t know anything about that. I’m just someone who knows the difference between what hurts and what doesn’t.’ I’m someone who wants only what is. To meet as a friend each concept that arose turned out to be my freedom.” Life-changing wisdom from 130 of the world's highest achievers in short, action-packed pieces, featuring inspiring quotes, life lessons, career guidance, personal anecdotes, and other advice Emotions are the driving force behind all human action and experience. The most sublime acts of creation and the most depraved behaviour are products of human emotion unleashed. And within each one of us is the potential for the whole range of those emotions. In INNER STRENGTH, Tony Robbins shows you how to master the powerful emotional forces that drive everything you do. In this new blockbuster Robbins takes you on a journey into your deepest self, and into the next stage of your evolution where instead of ignoring or suppressing your emotions, you embrace all of them, good and bad. Robbins challenges you to strip away your intellect and your daily routines to get at your essence “ what's behind your drive to achieve? Is it the desire to find love? To raise your children well? To be financially free? What are you doing it all for? To get more out of life, you have to own your own nature. INNER STRENGTH offers you a personal emotional fitness plan. This step-by-step regimen will help you discover which emotions dominate your life, and provide you with an emotional 'prescription' “ an antidote to the patterns that have been holding you back. The 12-minute emotional 'workout' will transform your outlook and level of fulfillment in a matter of weeks. Harness the power of your emotions and you will not only be fulfilled, you will also achieve more and greater things than you ever thought yourself capable of. Our brains, therefore, are designed not just to hunt and gather, but also to help us get ahead socially, often via deception and self-deception. But while we may be self-interested schemers, we benefit by pretending otherwise. The less we know about our own ugly motives, the better - and thus we don't like to talk or even think about the extent of our selfishness. This is the elephant in the brain. Such an introspective taboo makes it hard for us to think clearly about our nature and the explanations for our behavior. The aim of this book, then, is to confront our hidden motives directly - to track down the darker, unexamined corners of our psyches and blast them with floodlights. Then, once everything is clearly visible, we can work to better understand ourselves: Why do we laugh? Why are artists sexy? Why do we brag about travel? Why do we prefer to speak rather than listen? Our unconscious motives drive more than just our private behavior; they also infect our venerated social institutions such as Art, School, Charity, Medicine, Politics, and Religion. In fact, these institutions are in many ways designed to accommodate our hidden motives, to serve covert agendas alongside their official ones. The existence of big hidden motives can upend the usual political debates, leading one to question the legitimacy of these social institutions, and of standard policies designed to favor or discourage them. You won't see yourself - or the world - the same after confronting the elephant in the brain.
