"Críticas 'For any system of belief that vests ultimate authority in the past, slavery is a big moral problem... For several reasons, this dilemma is an acute one for Muslims, as emerges in [this] scholarly but digestible new book.' * The Economist * 'This insightful, courageous and comprehensively argued book is bound to constitute a new beginning. It is certain to be as widely debated as it is widely read. And we will all be all the better for it.' -- Sherman A. Jackson, King Faisal Chair of Islamic Thought and Culture, University of Southern California 'A prodigiously researched, provocatively argued, learned and multi-faceted treatment of a difficult and complex problem. One might not agree with all of Brown's conclusions, but the book will be a must-read for students and scholars of historical and contemporary Islam, as well as for anyone interested in slavery and its relationship to religion.' -- Bernard K. Freamon, Professor of Law Emeritus, Seton Hall University School of Law Reseña del editor What happens when authorities you venerate condone something you know is wrong? Every major religion and philosophy once condoned or approved of slavery, but in modern times nothing is seen as more evil. Americans confront this crisis of authority when they erect statues of Founding Fathers who slept with their slaves. And Muslims faced it when ISIS revived sex-slavery, justifying it with verses from the Quran and the practice of Muhammad. Exploring the moral and ultimately theological problem of slavery, Jonathan A.C.

Brown traces how the Christian, Jewish and Islamic traditions have tried to reconcile modern moral certainties with the infallibility of God's message. He lays out how Islam viewed slavery in theory, and the reality of how it was practiced across Islamic civilization. Finally, Brown carefully examines arguments put forward by Muslims for the abolition of slavery. Biografía del autor Jonathan A.C. Brown is Associate Professor of Islamic Studies and the Alwaleed bin Talal Chair of Islamic Civilization in the School of Foreign Service at Georgetown University. His previous books include *Misquoting Muhammad* and *Hadith: Muhammad's Legacy in the Medieval and Modern World*, both of which are published by Oneworld. He lives in Virginia."

minority and sold them into sex slavery

It behooves us before mencing on the mentary of the hadiths on the emancipation of slaves to produce here a short essay in which we discuss the reality of slavery and its place in islam because a lot of motion has been caused amongst the muslims by the westerners and their devotees for allowing slavery and the people of this age claim it is a blemish on the forehead of religion. Islam left only one source for slavery that is enslavement in war and only legal war i e against the non muslims indeed the enslavement of prisoners of war was a part of warfare so islam did not free the slaves of its enemies while its own followers are enslaved by those enemies and given the worst possible treatment. The point which needs to be appreciated and which perhaps is the real cause of the misconception is that islam had adopted a gradual process to abolish the institution of slavery because of the social conditions prevalent in arabia at that time. All muslim scholars acknowledge that islam has retained the principle of slavery though some of them claim that islam encourages the liberation of slaves maybe some of muhammad s sayings and a few qur anic verses indicate so yet from a practical point of view we realize that the liberation of slaves was a rare occurrence.
