Immense, luminescent, un nuage vert, l'Intrus, fonce vers la terre. En quelques secondes il a anéanti une escadre Klingon qui s'opposait à lui. Sa dimension sept fois la distance de la Terre au Soleil. Seul le croiseur l'Enterprise peut l'intercepter. Seul l'amiral Kirk peut assumer cette mission où, moins que la force brutale, compteront le caractère du chef et son expérience. Départ risqué. Le vaisseau a subi une

totale mutation technologique qu'aucun vol n'a encore testée. Lors d'une hyperpropulsion on frôle la désintégration. Soudain, dans son immensité terrifiante, l'Intrus surgit sur les écrans de l'Enterprise Et il commence à émettre des messages... des messages mentaux.
