(Simon, from Omniglot.com) It was such a pleasure to have 'The Irish Polyglot' on campus! Benny kept students engaged from his intro video reel all the way to the final Q&A of the evening. He is a dynamic speaker with fascinating stories and great tips for making the most of your time abroad. Our office appreciated his willingness to work with us to tailor his presentation to our specific audience. Though we expected students to be more interested in the travel aspects of his presentation, so many of them wanted to know more about his language hacks during the Q&A. The fact that he is young and has gone about language learning in a non-traditional way really helped them connect with his message. Benny is a speaker who is suitable for students who are just starting to explore international issues to those who are already on the track to becoming polyglots themselves.
