Adam Juniper has been flying drones and model helicopters for years, and
enjoys nothing more than sharing those skills or the videos he captures. He is
active in the community --- his YouTube videos have been seen by thousands
of fellow pilots. He has authored several books including My Story: Easy
Digital Tools and Photoshop Elements. He's also worked as a book publisher
and professional video producer (with a book on the subject to his name), and
has written for numerous digital creativity magazine."
