Its for that motivation definitely plain and as a effect info, isnt it? You have to preference to in this host.

Figure mythique de la cavalerie de la Grande Armée, le comte Antoine-Charles-Louis de Lasalle a fasciné des générations de cavaliers légers à travers le monde. Cet intarissable buveur, joueur, bretteur et amant prodigue semble pourtant avoir été victime de sa propre

légende. Ce livre, qui s'appuie sur l'analyse de documents d'archives inédits propose, à travers une approche novatrice, d'ouvrir les perspectives en montrant la contribution et les héritages de celui qui peut être considéré comme l'un des meilleurs généraux de cavalerie légère de l'Empire et même de son siècle. L'apport incontournable de Lasalle dans l'évolution de la tactique et de l'identité de la cavalerie légère, ainsi que l'immortalisation de sa figure et de ses faits d'armes par les peintres et les sculpteurs de son vivant comme après sa mort, révèlent une personnalité riche et complexe qui a marqué de manière forte et durable l'histoire militaire et, à sa façon, l'histoire de l'art. Aude NICOLAS est docteur en histoire de l'art et diplômée de l'Ecole du Louvre. Spécialiste en patrimoine et archéologie militaires, ses principaux travaux portent sur l'étude du fait historique et sa représentation par les artistes, ainsi que sur l'analyse des objets liés à cette discipline. Auteur de plusieurs articles et essais sur les arts et les événements historiques du XIXe siècle, cavalière passionnée, elle a consacré une conférence au général Lasalle et à sa Brigade Infernale en 2012 dont est issu cet ouvrage.
