Quando Ruby si sveglia il giorno del suo decimo compleanno, qualcosa in lei è cambiato. Qualcosa di abbastanza preoccupante da costringere i genitori a mandarla a Thurmond, un brutale campo di riabilitazione gestito dal governo dove sono rinchiusi i giovani come lei. Ovvero, i giovani che sono riusciti a sopravvivere alla misteriosa malattia che ha decimato la popolazione e che da allora sembrano aver acquisito poteri speciali. Ci sono i Verdi, dotati di un'intelligenza eccezionale; i Blu, di telecinesi; i Gialli, che controllano l'elettricità; i Rossi il fuoco e gli Arancioni, come Ruby, la mente umana. Ora Ruby ha sedici anni ed è riuscita a scappare da quell'inferno, ma per lei l'incubo non è ancora finito. Durante la sua fuga, però, incontra un gruppo di ragazzini evasi come lei: Zu, Ciccio e Liam, carisma da leader e decisamente carino. Ma Ruby non può rischiare di avvicinarsi a lui. Sarebbe troppo pericoloso. E, in viaggio verso l'unico rifugio sicuro, ci sono già fin troppi pericoli da affrontare...

Alexandra Bracken is the 1 New York Times bestselling author of the Darkest Minds series and Passenger series. Born and raised in Arizona, she moved east to study history and English at the College of William and Mary in Virginia. The Darkest Minds #1 December 18th 2012 list chapter read free when Ruby woke up on her tenth birthday, something about her had changed something frightening enough to make her parents lock her in the garage and call the police something that got her sent to Thurmond, a brutal government rehabilitation camp she might have survived.

**The Darkest Minds 2018 plot showing all 7 items jump to summaries 7 summaries**

Unfortunately, despite the popularity of the books, *The Darkest Minds* has underperformed at the box office, grossing just 21.8 million from its 34 million budget while it also only scored a 4.31 rating on Goodreads, which would generally mean the book is pretty darn fantastic. An opinion a lot of reviewers and booktubers seem to share, but whilst I enjoyed the book, there were quite a few things that kept me from getting fully invested in Ruby's story, resulting in me giving the book 3.5. *The Darkest Minds*, the first book in the *Darkest Minds* series, was released in 2012. This book is about Ruby, a girl who

lives in a dystopian future where the mass majority of kids have died due to a strange disease before they turn ten. Discussion of themes and motifs in alexandra bracken s the darkest minds enotes critical analyses help you gain a deeper understanding of the darkest minds so you can excel on your essay or test.
