"This book is Harry Potter meets the Hunger Games in a bold twist on a classic magical young adult adventure." Jaymin Eve, Bestselling Author of Supernatural Academy You Don't Choose The Academy. The Academy Chooses You. I had no idea how those words would change my life. Or how they'd changed my life already... Until the day the most dangerous man I've ever met waltzed onto my farm and left us a death sentence. In an invitation. My younger brother has been chosen for the prestigious, secret magical school hidden within the folds of our mundane world. A place so dangerous, they don't guarantee you'll make it out alive. If he doesn't go our entire family will be killed. It's the same invitation my older brother received three years ago—the same place he mysteriously died. The academy has already killed one sibling. I'll be damned if they take another. I do the only thing an older sister can: chop off my hair, strap on two bras to flatten the girls, and take my brother's place. Magic and monsters are real. Assassins are coming for me, and the dead are prone to rise. What's a girl faking it as a boy supposed to do? That's right—beat the academy at its own game. Or die trying. Shadowspell Academy Book 1 and Shadowspell Academy Book 2 end with a cliffhanger Book 2 will release May 14, 2019 Book 3 will release June 11, 2019

rare and disgusting disease but it s really a hollywood mashup of all things harry potter and hunger games so how does the culling trials book 1 stand up against two killer blockbusters i expect to see shannon mayer and k f breene s love child boldly and with great bodily harm to the actors stunt doubles up in cinemark neon lights.
