"Pressestimmen 'In the wake of her Printz Honor-winning Damsel, Arnold blazes a new and equally powerful trail through toxic masculinity. Read, shed your pelt, and be transformed?for blades are being sharpened.' (Booklist (starred review))'?It's unsettling how seamlessly Arnold incorporates dark fantasy elements of beastly wolves and cunning hunters into her all-too-realistic tale. A fantastic novel in the #MeToo era, empowering women to share their stories by reaching out, speaking up, and demanding a change.' (School Library Journal (starred review))'?Arnold uses an intriguing blend of magic realism, lyrical prose, and imagery that evokes intimate physical and emotional aspects of young womanhood. A timely and unabashedly feminist twist on a classic fairy tale.' (Kirkus Reviews)
