Celia Rees has followed the best selling Witch Child with Pirates Superbly well written this rollocking romance is pure joy ? The Times Christmas Books I also read this new book called Pirates by Celia Rees which was a huge inspiration to me this year The story is all about female pirates which is just totally my kind of thing anyway. Celia Rees was born in Solihull West Midlands UK She studied History and Politics at Warwick University and then went on to teach English in city comprehensive schools for seventeen years She now divides her time between writing talking to readers in schools and libraries and teaching creative. Pirates is a genuinely good pirate book with likable characters exciting adventures and surprisingly enough passable historical accuracy depicting the lifestyle during the golden age of piracy There is also an undercurrent of tension to the whole book driven by genuine voodoo and superstition common at that time period which makes sure it?s never boring.

**Appearing at a Festival like this is not as much fun as people think If one tells friends that one is going to X say or Y unless they are writers and know what it will be like they think its kind of like a short holiday time for sightseeing a bit of shopping or to take in the rest of the Festival but it is often not like that at all**
