"Über den Autor und weitere Mitwirkende â??About the Author Neil D. Jespersen is an active member of the Department of Chemistry at St. John's University (Queens, New York). He earned his B.S. degree with special attainments in chemistry at Washington and Lee University (Lexington, Virginia) and his Ph.D. at Pennsylvania State University (University Park, Pennsylvania). He specializes in analytical chemistry research and has mentored more than 100 undergraduate research students and 25 graduate students. Dr. Jespersen teaches graduate and undergraduate courses in instrumental analysis and quantitative chemical analysis. He also teaches general chemistry on a regular basis and coordinates the general chemistry laboratory program. Dr. Jespersen is a fellow of the American Chemical Society and currently serves as a councilor from the New York section. He is also the faculty advisor to the ACS Student Chapter at St. John's University.About the Publisher In the 1930s, Manuel H. Barron opened a bookstore in Brooklyn, New

York. People from the community asked Mr. Barron about books that might be available to help their children study for the New York State Regents exams. After realizing there wasn't anything available, Mr. Barron's created his own study guides. 80 years later, Barron's has helped millions of people prepare for their next step."
