earth, insight, various sites, previous period, entertainment, and a lot more?. We pay off for you this appropriate as masterfully as easy haughtiness to get those all. By seeking the title, publisher, or authors of manual you in actually want, you can find them promptly.

"Pressestimmen Everything Felicia creates seems to succeed. This book should be no different. It's a great read - far from 'horrible' and worth every 'Penny'. See what I did there? It's a play on...never mind. (Neil Patrick Harris, author of Choose Your Own Autobiography and Felicia's co-star in Dr. Horrible's Sing-Along Blog)Reading Felicia Day's memoir is like going on a road trip with an old friend you never knew you had. This is the perfect book to prove you aren't the only misfit in the world, and to remind you that that's a very good thing. (Jenny Lawson, author of Let's Pretend This Never Happened) Werbetext The SUNDAY TIMES BESTSELLER from 'queen of the geeks' Felicia Day. Now updated with new material. Autorenkommentar Felicia Day is a professional actress who has appeared in numerous mainstream television shows and films, including a two-season arc on the SyFy series Eureka. She is currently recurring on The CW show Supernatural. However, Day is best known for her work in the web video world, behind and in front of the camera. She co-starred in Joss Whedon's Emmy Award-winning Internet musical, Dr. Horrible's Sing-Along Blog. She also created and starred in the hit web series The Guild, which ran for six seasons and is currently available for viewing on every major digital outlet, including Netflix. In 2012, she launched a YouTube channel called Geek & Sundry. The network has garnered more than 1.3 million subscribers to date and more than 200 million views. In 2014, the company was purchased by Legendary Entertainment. Day continues to act as CCO and develop web content and television projects with Legendary as a producer, writer, and performer. She is also extremely active on social media, has over 2.3 million Twitter followers, and is the eighth most followed person on Goodreads, where she is also the founder of Vaginal Fantasy, a romance and fantasy book club with more than 13,000 members. Klappentext The Internet isn't all cat videos. There's also Felicia Day - violinist, filmmaker, Internet entrepreneur, compulsive gamer and former lonely homeschooled girl who overcame her isolated childhood to become the ruler of a new world . . . or at least semi-influential in the world of Internet geeks and Goodreads book clubs.After growing up in the south where she was 'homeschooled for hippie reasons', Felicia moved to Hollywood to pursue her dream of becoming an actress and was immediately typecast as a crazy cat-lady secretary. But Felicia's misadventures in Hollywood led her to produce her own web series, own her own production company and become an Internet star.Felicia's short-ish life and her rags-to-riches rise to Internet fame launched her career as one of the most influential

creators in new media. Now, Felicia's strange world is filled with thoughts on creativity, video games, and a dash of mild feminist activism - just like her memoir. Hilarious and inspirational, *You're Never Weird on the Internet (Almost)* is proof that everyone should embrace what makes them different and be brave enough to share it with the world, because anything is possible now - even for a digital misfit. *Bücherrückseite* The Sunday Times bestseller from online entertainment pioneer, actress and 'queen of the geeks' Felicia Day, *You're Never Weird on the Internet (Almost)* is a funny, quirky and inspiring memoir about her unusual upbringing, her rise to internet stardom and embracing her weirdness to find her place in the world. When Felicia Day was a girl, all she wanted was to connect with other kids (desperately). Growing up in the Deep South, where she was 'home-schooled for hippie reasons', she looked online to find her tribe. The internet was in its infancy and she became an early adopter at every stage of its growth - finding joy and unlikely friendships in the emerging digital world. Her relative isolation meant that she could pursue passions like gaming, calculus and 1930's detective novels without shame. Because she had no idea how 'uncool' she really was. But if it hadn't been for her strange background - the awkwardness continued when she started college at sixteen, with her mother driving her to campus every day - she might never have had the naive confidence to forge her own path. Like when she graduated as valedictorian with a maths degree and then headed to Hollywood to pursue a career in acting despite having zero contacts. Or when she tired of being typecast as the crazy cat-lady secretary and decided to create her own web series before people in show business understood that online video could be more than just cats chasing laser pointers. Felicia's rags-to-riches rise to internet fame launched her career as one of the most influential creators in new media. Now Felicia's world is filled with creativity, video games and a dash of feminist activism - just like her memoir. Showcasing Felicia's hilarious and unique voice, *You're Never Weird on the Internet (Almost)* is proof that everyone should celebrate what makes them different and be brave enough to share it with the world, because anything is possible now - even for a digital misfit. Über den Autor und weitere Mitwirkende Felicia Day is a professional actress who has appeared in numerous mainstream television shows and films, including a two-season arc on the SyFy series *Eureka*. She is currently recurring on The CW show *Supernatural*. However, Day is best known for her work in the web video world, behind and in front of the camera. She co-starred in Joss Whedon's Emmy Award-winning Internet musical, *Dr. Horrible's Sing-Along Blog*. She also created and starred in the hit web series *The Guild*, which ran for six seasons and is currently available for viewing on every major digital outlet, including Netflix. In 2012, she launched a YouTube channel called *Geek & Sundry*. The network has garnered more than 1.3 million subscribers to date and more than 200 million views. In 2014, the company was purchased by Legendary Entertainment. Day continues to act as CCO

and develop web content and television projects with Legendary as a producer, writer, and performer. She is also extremely active on social media, has over 2.3 million Twitter followers, and is the eighth most followed person on Goodreads, where she is also the founder of Vaginal Fantasy, a romance and fantasy book club with more than 13,000 members."
