First-time boat builder? Never fear! You are exactly the reason I created the Boat Building Master Course. In all my years as a boat builder and Naval Architect, I can't count how many times I've been asked how to build a boat. It's not complicated, but still, many doubt they'd be able to complete the task. Boat building does seem like a major undertaking. While the boat plans I sell offer far more instruction and clarity than most others, I wanted you to be absolutely sure you could do it. That's when I developed the Boat Building Master Course. Everything you need to know is included in this impressive Boat Building Master Course. Written in everyday language (not techy jargon). It gives you complete knowledge of boat building from bow to stern including: Easy-to-follow instructions, sketches and photos that cover every step of the process so you can actually see how it's done. Insider tips and tricks I've discovered over my lifetime as a master boat builder and Naval Architect that will help you solve complicated problems the easy way! And included in this exclusive version of the Master Course is 3 full sets of boat plans. Here is what's included in this exclusive Boat
