The No. 1 bestseller'Forsyth has lost none of his storytelling finesse and geopolitical grasp . . . this is Forsyth at his spellbinding best' Daily Mail'An ingenious, expertly written and serious look at international conflicts which threaten the future of the world' Washington PostMost weapons do what you tell them. Most weapons you can control.But what if the most dangerous weapon in the world isn't a smart missile or a stealth submarine or even an AI computer programme?What if it's a 17-year-old boy with a blisteringly brilliant mind, who can run rings around the most sophisticated security services across the globe, who can manipulate that weaponry and turn it against the superpowers themselves?How valuable would he be? And what wouldn't you do to get hold of him?The Fox is a race-against-time thriller across continents to find and capture, or protect and save, an asset with the means to change the balance of world power. Whatever happens he must not fall into the wrong hands. Because what follows after that is unthinkable...
